Football's Flaws & Foibles Richard Foster, 2017-10-16 Modern football is brilliant and yet it is also utterly rubbish For every part of the beautiful game that reminds us why we love it there s another to drive us up the wall Half and half scarves designated singing sections goal music and open letters the list is endless Football s Flaws Foibles looks at some of the biggest transgressions and dissects just what lies at the heart of our annoyance Featuring contributions from Kevin Day Daniel Storey and more this book provides moments of catharsis and debate in equal measure If you ve ever paid for a plane to fly a banner over a football ground then this may not be the book for you but for the rest of us this is a place to wallow in collective frustrations So if you have ever been irritated enraged aggravated or exasperated by the game you love this book is very much for you

*Youth Double Wing* Coach Jack Gregory, 2008-03-12 The modern double wing offense is the pinnacle of power and misdirection football This book covers how to implement it coach it and utilize it with a variety of youth football teams The system as been field tested for over ten years by not only the author but from coaches around the country who sing its praise The system is simple efficient and effective while teaching the core fundamentals of football The author has taken Don Markham s inventor of the modern double wing core principles and made them effective for any age group in youth football See what some well known double wing coaches are saying about this book Every youth coach needs to read this book whether you run Double Wing or not this is a must read in understanding the most dynamic offense in Youth Football With the depth and teaching of the system it will become obvious why so many people are winning with the Jack Gregory DW There is no doubt in my mind that Jack Gregory s Double Wing is the best design for Youth Football Jason Mensing Head Football Coach Tecumseh High School MI Jack Gregory has done an unbelievable job once again spreading his knowledge and experience on the double wing In running this offense for 10 years and speaking across the country there is few people I have met who have a grasp on the offense like Jack It is only equaled by his clear and concise way of articulating and teaching the offense to players and coaches of all levels This book is a must read for any coach interested in or running the double wing Tim Murphy Head Football Coach Clovis East High School Clovis CA Youth Double Wing by Jack Gregory is a must read for any new or experienced football coach from youth all the way up to high school It s detailed creative and easy to understand I based my offense on Jack s DW system three years ago and it helped catapult me to the 2007 Pop Warner National Championships Tony Akers 2007 National Championship Finalist Santa Margarita Pop Warner What an awesome

opportunity for youth football coaches seeking to learn the core aspects of one of the foremost power offenses in the game To be able to sit at the feet of one of youth football s most respected coach advisors and be systematically lead through the principles philosophy and concepts that makes this offense the force that it is known to be is truly a privilege Following Jack s teachings and principles has enabled my DW teams to make it to the National Pop Warner Super bowl games two of the last three years and even win the National Championship 2006 As such I am very pleased to recommend this book as it s just like the offense that it teaches Well structured yet Systematic and Powerful Christopher Austin Los Alamitos Pop Warner 2006 Pop Warner National Champion I ve looked at a lot of youth football coaching materials over the years You will not find a more complete out of the box system anywhere Coach Gregory s system has proven successful for teams with players as young as 5 years through the High School level There is one thing that teams who run Gregory s system have in common they WIN football games I have run Jack s system since 2003 and have enjoyed tremendous success This isn t just a book of X s Tampa Florida Fenton High School Football JV Fenton Michigan Fenton Youth Football Fenton Michigan
