For All Seasons A Big Bend Journal:

For All Seasons Roland H. Wauer, 1997 Roland Wauer worked as Big Bend National Park's Chief Naturalist from 1966 to 1972 His journal entries span these 30 years In this book he shares his love of the Big Ben through entries that provide a composite portrait of a typical year in the life of the park This beautifully illustrated book is the perfect companion for a visit to the park whether in person or by armchair 30 photos 30 line drawings **For All Seasons** Roland H. Wauer, 2013-11-15 Something about Big Bend National Park draws visitors again and again Maybe it's the spare beauty of the mountains and desert the dawn chorus of birds or the vivid stars in the velvet night All of these things have made it Roland Wauer's favorite place In this book he shares his love of the Big Bend through journal entries that chronicle a year in the life of the park Wauer worked as Chief Park Naturalist from 1966 to 1972 and has visited the park frequently ever since His journal entries span these thirty years providing not only a composite portrait of a typical year but also a clear sense of how the park's natural history has changed over three decades He spices his account with anecdotes often humorous ranging from stumbling across a herd of javelinas to being trailed by a mountain lion in the dark to discovering new species of plants and animals Few authors know the Big Bend as Roland Wauer does or have written about it in a more engaging way This beautifully illustrated book is the perfect companion for a visit to the park whether in person or by armchair **Stirring Prose** Deborah Douglas, 1998 Stirring Prose Cooking with Texas Authors is a delightfully revealing look at some of Texas's best writers Initially conceived as a Who's Who of Texas authors Deborah Douglas quickly realized that asking authors to write about their favorite recipes freed them from the big toe digging constraints of having to talk directly about themselves The resulting off center reflections are brilliant slices of their personalities and their writing styles A traditional cookbook this is not Each author contributed to Stirring Prose in a personal distinctive way Billy Porterfield reveals his fantasies about a voluptuous restaurant owner and a dream enhanced recipe for game hen fricassee with a French New Guinea twist Sunny Nash gives us an enticing snapshot of her grandmother Bigmama and divulges the secret to beautiful skin with Bigmama's Mysterious Rose Water Splash And John Erickson shares his Bachelor Cowboy's Delight the meal he eats over and over when his wife and children are out of town and which consists of steak lettuce salad and green peas Robert Flynn Liz Carpenter Elmer Kelton and thirty three others also share their recipes and food stories Some of these recipes such as Dr Larry L King's Asian Flu Hot Liquid Life Saver almost beg for a do not try this at home warning Others such as Cindy Bonner's Bohemian Kolaches and Clay Reynolds's Tex Mex Breakfast will inspire readers to start cooking All are enticing for their tasty prose Each recipe is accompanied by a photograph a publication list and an engaging personalized introduction by Douglas herself a fine writer funny and charming Although not an exhaustive collection of Texas writers Stirring Prose Cooking with Texas Authors is a tantalizing peek at thirty nine talented Texas writers and their work **Fifty Years of Good Reading** University of Texas Press, 2000 50 year since founding the University of Texas they have witnessed major evolutions in the
