Robert Hugh Benson

For Christ And The Church:

The Humble Church Martyn Percy ,2021-03-31 In this bold and provocative invitation Martyn Percy imagines what the post pandemic Church might look like and sets out what it needs to learn It argues that the Church needs to stop obsessing about itself its size its strategies to shore up decline its waning public influence and rediscover how to live as the body of Christ In other words what does it need to do in order to become more like Christ As Christ poured out his life for the sake of others he considers ways in which the Church might imitate Christ in practice today Whenever Jesus visited anywhere beyond the confines of the Jewish community he immediately became socially useful and so this extols such virtues as humble service in the community not because it is an effective way to grow the Church but because it is faithful to Christ s own example Avoiding responses such as exasperation righteous anger at shortcomings or wishful thinking about returning to the past he sets out a vision for the Church s future that is both biblical and christological Incisive imaginative and engagingly written this will resonate deeply with many lay and ordained members of the Church

Christ in the Church Robert Hugh Benson,1920

Daly, 2009-04-13 Most ideas of sacrifice even specifically Christian ideas as we saw in the Reformation controversies have something to do with deprivation or destruction But this is not authentic Christian sacrifice Authentic Christian sacrifice and ultimately all true sacrifice whether one is conscious of it or not begins with the self offering of the Father in the gift sending of the Son continues with the loving response of the Son in his humanity and in the Spirit to the Father and for us and finally begins to become real in our world when human beings in the power of the same Spirit that was in Jesus respond to love with love and thus begin to enter into that perfectly loving totally self giving relationship that is the life of the triune God The origins of this are in the Hebrew Bible its revelatory high points in Jesus and Paul and its working out in the life of the Church especially its Eucharistic Prayers Special attention will be paid to the atonement not just because atonement and sacrifice are often synonymous but also because traditional atonement theology is the source of distortions that continue to plague Christian thinking about sacrifice After exploring the possibility of finding a phenomenology of sacrificial atonement in Girardian mimetic theory the book will end with some suggestions on how to communicate its findings to people likely to be put off from the outset by the negative connotations associated with sacrifice **Journal of the ...
