Great Is His Faithfulness Tammera S. Moore, 2004-11-02 I started a project to assemble a collection of my poetry but as I began to assemble this collection I realized that there was more to tell Because I am a spirit filled Christian my love for God is reflected in most of my works Some of my works come from my fantasies and illusions of how life and love should be and some come from the people that I have been privileged to know and call my friends My poetry is a gift from God given to me through the people places and circumstances that make up my life God puts the inspiration in my life and puts the words in my heart I just put it down on paper So I decided to include stories about some of the poems and what inspired them As I started adding these stories it was clear that I was sharing the testimony of how God has worked in me and through me I wanted to provide the reader with scriptures that support my testimony So I added Bible study topics with room provided for taking notes A note about the Study Topics included in the book As a new Christian I was always hungry to learn more about God about His word and His will for my life I found that a study edition bible was an invaluable resource for me to learn more and grow in my faith and in my understanding The study Bible that I have includes almost 300 different thematic articles for study I chose only a few topics that I believed to be relevant for inclusion in this book I referenced my study Bible for information for chapters verses to reference and for quotes but the study topics included here are written to express my understanding of the Bibles teaching to express my opinion and my beliefs Since I am not a theologian or educated in the seminary I did ask my own Pastor to review these study topics for accuracy and completeness For any of my readers who dont already have that personal relationship with God these bible study topics are a starting point for learning more about His awesome love for us all Just as they have been a starting point for me in my

infancy as a Christian This is by no means all there is to know or learn as Christians we should always be hungry to learn more about Gods word and His will for us Because none of us can ever know everything there is to know about God we should continually seek knowledge of His will for us It is my sincere hope that this collection of works will move and inspire But most of all I pray that it will bring others to salvation in Christ *Philippians* Lynn H. Cohick, 2013-10-29 A new commentary for today s world The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible s grand story The first commentary series to do so SGBC offers a clear and compelling exposition of biblical texts guiding everyday readers in how to creatively and faithfully live out the Bible in their own contexts Its story centric approach is ideal for pastors students Sunday school teachers and laypeople alike Each volume employs three main easy to use sections designed to help readers live out God s story LISTEN to the Story Includes complete NIV text with references to other texts at work in each passage encouraging the reader to hear it within the Bible s grand story EXPLAIN the Story Explores and illuminates each text as embedded in its canonical and historical setting LIVE the Story Reflects on how each text can be lived today and includes contemporary stories and illustrations to aid preachers teachers and students Philippians In Philippians Paul speaks to the character of God the character of the believer in Christ and the character of believers together in Christ and he invites theological reflection on the good news of the gospel of Jesus Christ in ways that were this letter absent from the New Testament certain aspects of God s redemptive plan and our response to it would be shifted into the realm of speculation Edited by Scot McKnight and Tremper Longman III and written by a number of top notch theologians The Story of God Bible Commentary series will bring relevant balanced and clear minded theological insight to any biblical education or ministry **God's Authority in Home, Government and the Bible** John R. desert in a biblical context begins with the physical elements whose impact cognitive science can elucidate Travellers and naturalists of the past two millennia have experienced this and other wildernesses and their testimonies provide a window into Israel's experience of the desert A prime focus is the existential experience encountered Confronting the desert's enigmatic wildness its melding of the known and unknown leads naturally to spiritual experience The book's panoramic view of biblical spirituality of the desert is illustrated by the ways spiritual writers from Biblical Times to the Desert Fathers to German Mysticism have employed the images therefrom Revelation and renewal are just two of many themes Folklore of the Ancient Near East and indeed elsewhere that deals with the desert wilderness archetype has been explored via Jungian psychology Goethean Science enunciative linguistics and Hebrew philology These philosophies contribute to this exploration of the Hebrew Bible's desert metaphor for God
