

Work

A person wearing a traditional conical hat and a dark long-sleeved shirt is walking through a field. They are carrying a long wooden pole across their shoulders, with several large, round bundles of harvested rice tied to it. The person is barefoot and is walking on a path that appears to be a mix of dirt and grass. The background is a soft-focus landscape with greenery and a hazy sky.

My dreams become true
Yet it takes work before they do
My hope gives a start
Yet without work my dreams depart

Visions take action
And the work brings satisfaction
The goal pulls me through
The vital work that I must do

I let my work flow
For this primary truth I know
Dreams with work combined
Bring wealth and a happy mind
