For Heaven's Sake Cyril Harris, 2000 Rabbi Cyril Harris has has a huge impact on Jewish life wherever he has ministered to Orthodox Jewry Indeed his influence has extended far beyond the various communities that he has served there is no question that today he must be considered among the most influential Jews in Rabbinical circles For Heaven's Sake The Chief Rabbi's Diary is an insightful compassionate and properly inspired look at Jewish life in its many forms To call it a book of pastoral musings or reflections would do it an injustice Similarly the Rabbi's observations and comments go far beyond our conventional idea of a diary The Rabbi has never been shy or lacking a sense of humour His book reflects his critical questioning mind at every turn it is imbued throughout with his amused regard for the world at large and his wide ranging flock in particular On every page the warmth of the man and his deeply held spiritual conviction shine through Rabbi Harris has the gift of the born story teller He writes For Heaven's Sake Cyril Harris, 2000 Rabbi Cyril Harris has has a huge impact on Jewish life wherever he has ministered to Orthodox Jewry Indeed his influence has extended far beyond the various communities that he has served there is no question that today he must be considered among the most influential Jews in Rabbinical circles For Heaven's Sake The Chief Rabbi's Diary is an insightful compassionate and properly inspired look at Jewish life in its many forms To call it a book of pastoral musings or reflections would do it an injustice Similarly the Rabbi's observations and comments go far beyond our conventional idea of a diary The Rabbi has never been shy or lacking a sense of humour His book reflects his critical questioning mind at every turn it is imbued throughout with his amused regard for the world at large and his wide ranging flock in particular On every page the warmth of the man and his deeply held spiritual conviction shine through Rabbi Harris has the gift of the born story teller He writes *The Travelling Rabbi* Moshe Silberhaft, Suzanne Belling, 2012 Annotation Tracing the journeys of the Travelling Rabbi this book highlights Rabbi Silberhaft's invaluable work in Africa from caring for the graves of the forgotten and performing wedding ceremonies to providing kosher food and religious insight to various communities Including numerous stories some tragic others humorous but always fascinating this memoir is a celebration of the resilient people he encounters and a permanent record of the Jewish communities and personalities who would otherwise be forgotten **Religion & Reconciliation in South Africa** Audrey R. Chapman, Bernard Spang, 2003-04 Postapartheid South Africa's efforts to come to terms with its past particularly its Truth and Reconciliation Commission's emphasis on forgiveness and reconciliation is of special interest to many in the world community The Truth and Reconciliation Commission TRC led by Archbishop Desmond Tutu was mandated to go beyond truth finding and to promote national unity and reconciliation in a spirit of understanding which transcends the conflict and divisions of the past In contrast with other truth commissions the TRC was led by clerics rather than lawyers and judge and the TRC's approach to reconciliation was shaped by and imbued with religious content The TRC submitted its final report to the Mandela administration in October 1998 Over the next two years the Rev Bernard Spang former communications director

of the South African Council of Churches conducted a series of in depth interviews about the TRC with thirty three key religious figures In this volume they discuss and evaluate the following issues How should we understand the concept of national or political reconciliation and its requirements What are the differences and similarities between religious and political approaches to reconciliation Does national or political reconciliation require forgiveness between former victims and perpetrators What is the appropriate role of religious representatives in a truth commission process And is it recommended that other countries emulate the South African model How do religious leaders assess the contributions and limitations of the TRC What kind of initiatives are contemporary religious communities taking to promote reconciliation among their members and in the wider society The conversations presented in this volume and the essays interpreting them seek to illuminate issues and questions raised by the TRC model including how to conceptualize reconciliation and the differences between political and religious approaches
