Follow Mee To Gloucestershire:

The Routledge Anthology of Early Modern Drama Jeremy Lopez, 2020-03-10 The Routledge Anthology of Early Modern Drama is the first new collection of the drama of Shakespeare's contemporaries in over a century. This volume comprises seventeen accessible thoroughly glossed modernized play texts intermingling a wide range of unfamiliar works including the anonymous *Look About You*, Massinger's *The Picture*, Heminge's *The Fatal Contract*, Heywood's *The Four Prentices of London* and Greene's *James IV* with more familiar works such as Marlowe's *Doctor Faustus*, Webster's *The Duchess of Malfi* and Middleton's *Women Beware Women*. Each play is edited by a different leading scholar in the field of early modern studies bringing specific expertise and context to the chosen play text. With an unprecedented variety of plays and critical introductions that focus on the diversity and strangeness of different early modern approaches to the artistic and commercial enterprise of play making, *The Routledge Anthology of Early Modern Drama* will offer vital new perspectives on early modern drama for scholars, students and performers alike.

Arden Shakespeare Complete Works William Shakespeare, 2014-03-10 This revised edition of the *Arden Shakespeare Complete Works* includes the full text of *Double Falsehood* which was published in the *Arden Third* series to critical acclaim in 2010. The play is an eighteenth-century rewrite of Shakespeare's lost play *Cardenio* and as such is a fascinating testament to the original. A short introduction outlines its complex textual history and the arguments for including it within the Shakespeare canon. The *Complete Works* contains the texts of all Shakespeare's plays, poems and sonnets, edited by leading Shakespeare scholars for the renowned *Arden* series. A general introduction gives the reader an overall view of how and why Shakespeare has become such an influential cultural icon and how perceptions of his work have changed in the intervening four centuries. The introduction summarises the known facts about the dramatist's life, his reading and use of sources and the nature of theatrical performance during his lifetime. Brief introductions to each play, written specially for this volume by the *Arden* General Editors, discuss the date and contemporary context of the play, its position within Shakespeare's oeuvre and its subsequent performance history. An extensive glossary explains vocabulary which may be unfamiliar to modern readers.
