When seeking to understand evangelism it can be difficult to know where to begin due to the wealth of written material available on the topic. This one stop textbook offers a comprehensive introduction to evangelism from an evangelical perspective. It draws from the diverse and vast literature on the topic to help readers share the gospel at home and throughout the world. The book provides the necessary biblical knowledge, cultural awareness, and practical insights for every Christ follower to participate in the privilege of partnering with the Spirit in the world.
