Following The Master Discipleship In The Steps Of Jesus:

Following the Master Michael J. Wilkins, 1992 Michael Wilkins compares other forms of master disciple relationships in existence in the ancient Judaism and Greco Roman world traces Jesus steps as he called and developed disciples and then tracks the early church from its earliest days throughout the Mediterranean world as it followed Jesus command to make disciples Lightning Print On Demand Title Discipleship from Jesus'S Perspective George Gray, 2012-11-17 In this masterful work George Gray calls the church to live out the most natural expression of her love and obedience to the Master Grounded in careful exegesis comprehensive and sensitive to the complexities of modern life Gray examines the Gospels as a script that reveals not only how Jesus shaped the first disciples but how we must carry on making disciples in His name David B Capes Thomas Nelson Research Professor Houston Baptist University Discipleship is not about teaching someone to pray and read his or her Bible it is about learning how Jesus wants us to pray and read our Bibles Discipleship is not about the doctrine of the Church but the doctrine of Jesus Christ the head of the Church It is not about attending a church service but attending to the Lord Jesuss view of what it means to be the church In Discipleship from Jesuss Perspective author George Gray presents a guide for becoming a disciple the way Jesus intended that discipleship means adhering to His expressed will Gray carefully examines Jesuss pivotal statements regarding discipleship and unearths the key principles that transform the art of making a disciple from a subjective guessing game to an objective and definitive master plan Including purposeful questions and exercises Discipleship from Jesuss Perspective provides practical steps for following the master plan and applying the commands to everyday life to become a true disciple of Jesus Building a Youth Ministry that Builds Disciples Duffy Robbins, 2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they re doing right now in the youth group the reality is that the most important thing they are doing won t actually be evident until much later That s because the biggest challenge for any youth ministry is helping teens embrace a whole hearted devotion to God that lasts far beyond their years in the youth room Unfortunately much of youth ministry seems to be designed on the model of setting teenagers up for a date with God a delightful evening that involves music laughter food and light conversation But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers In this concise book ideal for busy youth workers they ll be equipped to build a youth ministry that instills that lasting faith in its students *The Complete Book of Discipleship* Bill Hull, 2014-02-27 Well organized and readily accessible The Complete Book of Discipleship pulls together into one convenient comprehensive volume relevant topics to discipleship such as Spiritual growth Transformation Spiritual disciplines Discipleship in the local church and beyond Indexed for easy reference Discipleship in the Ancient World and Matthew's Gospel, Second Edition Michael J. Wilkins, 2015-08-24 With a comprehensive sweep of the relevant literature including classical and Hellenistic sources the Septuagint and the New Testament the author defines

disciple and related terms as they were used in the ancient world Pertinent Semitic words from the Hebrew Bible Rabbinic literature and Qumran documents provide additional background for the term A special emphasis is Matthew s use of mathetes and the role of Simon Peter as a model disciple The study first appeared in 1988 in the prestigious Novum Testamentum Supplements under the title The Concept of Disciple in Matthew s Gospel As Reflected in the Use of the Term Mathetes In this second edition the author includes a new chapter outlining advances in the field since the book was first published

The Message of Discipleship Peter Morden,2018-11-15 Soon after Jesus began his public ministry he called his first disciples He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers The risen Jesus is still calling and sending people today If we heed his call the result can be just as transformative and exciting as it was for the first disciples While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden s conviction that we need the entire Bible if we are going to be whole life disciples He reflects on Scripture and asks How do we live as committed disciples of Jesus today He explores the foundations resources and practice of discipleship in a range of Old and New Testament texts The result is a well rounded and satisfying picture of Christian discipleship one that is wonderfully attractive as well as deeply challenging With a fully integrated study guide suitable for both individuals and groups The Message of Discipleship will help you to see how the Bible s unified teaching on this vital theme can impact your life today The Bible Speaks Today series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture

D2 Phil McKinney II, 2019-03-12 Following Jesus is a lifelong journey of transformation Follow me These two words changed the lives of twelve unlikely individuals in the first century and they can change the course of your life as well Many people claim to follow Jesus but truly following him involves a commitment to transformational discipleship not just nominal acceptance Discipleship was the mission of Christ and therefore as disciples it is our mission as well both to be disciples and to make disciples Following as a disciple of Jesus

begins with hearing his call and then desiring to grow in our relationship with him. However we are too often satisfied with simply receiving God's grace and neglect to give it back. We desire to gain all the privileges of a disciple minus the commitment to be one. As a result we need to develop a consistent coordinated and intentional plan for greater spiritual growth and discipleship focused on gaining an ever-increasing ability to apply God's Word to life. If you want more than sitting in pews and checking off church participation boxes if you are ready to live the life Christ calls you to by following him with all your heart soul mind and strength this book is for you.
