topics *German Literature as a Transnational Field of Production, 1848-1919* Lynne Tatlock, Kurt Beals, 2023 A collection of new essays bringing into view the push and pull of the national and the international in the German language cultural field of the period The cultural formations of the so called Age of Nationalism 1848 1919 have shaped German language literary studies to the present day for better or worse Literary histories German self representations the view from abroad all of these perspectives offer images of a culture ever more concerned with formulating a coherent nationally focused idea of its origins history and cultural community But even in this historical moment the German speaking territories were not culturally self contained international forces always played a significant role in the constitution of the so called German literary and cultural field This volume rethinks the historical period with fourteen case studies that bring into view the push and pull of the national and international in Germany Austria and Switzerland undertaking a reframing of literary cultural history that recognizes the interrelatedness of literatures and cultures across political and linguistic boundaries Viewing even overtly national literary and cultural projects as belonging to an international system these case studies examine the interrelations organization and positioning of the agents forces enterprises and processes that constituted the German language literary cultural field locating these ostensibly national developments within an inter or even anti national context *Language Culture Type* John D. (ed.). Quaker abolitionists showing how educational and religious movements addressed and embraced cultural and linguistic variety Drawing early American scholarship beyond the normative narrative of monolingualism this volume will be invaluable to historians and sociolinguists whose work focuses on Pennsylvania and colonial revolutionary and antebellum America In addition to the editor the contributors include Craig Atwood Patrick M Erben Cynthia G Falk Katherine Faull Wolfgang Fl gel Katharine Gerbner Maruice Jackson Lisa Minardi J rgen Overhoff and Birte Pfleger *Anglo-American Encyclopedia* ,1910
