To the economist and ballet enthusiast John Maynard Keynes he was potentially the most brilliant man he'd ever met to Dame Ninette de Valois he was the greatest ballet conductor and advisor this country has ever had to the composer Denis Appellor he was the greatest most lovable and most entertaining personality of the musical world whilst to the dance critic Clement Crisp he was quite simply a musician of genius. Yet sixty years after his death Constant Lambert is little known today. As a composer he is remembered for his jazz inspired *The Rio Grande* but little more and for a man who devoted the greater part of his life to the establishment of English ballet his work is largely unrecognized today. This book looks not only at his music but at his journalism his talks for the BBC his championing of jazz in particular Duke Ellington and more privately his longstanding affair with Margot Fonteyn.

Book jacket *Dancers and Choreographers* Leslie Getz, 1995. Covers the full range of English language dance book literature published in the twentieth century as well as all the scholarly periodicals in the field from the United States Great Britain Canada and Australia.

Vous connaissez Jeanne d'Arc et Rosa Luxemburg. Mais ad la de qui au Xe siècle regardait sur la Provence et la Bourgogne avant d'être couronnée première impératrice du Saint Empire romain germanique. Hugues Capet lui doit sans doute le trône de France. Et qui se souvient d'Amalasonthe la célèbre princesse wisigothe. Sa mort tragique donna aux troupes byzantines de Justinien le signal pour l'invasion de l'Italie. L'histoire la plus souvent racontée par les hommes. Mais elle a souvent été faite par les femmes. Elles sont l'origine de la plupart des religions du monde et les Saintes de notre calendrier sont aussi nombreuses que leurs collègues mâles. De l'impératrice Théodora Catherine de Russie de Clotilde Margaret Thatcher en passant par la reine Victoria et Indira Gandhi les femmes ont regné avec autorité sagesse ou terreur. Heroïnes guerrières ou révolutionnaires Résistantes ou espionnes pionnières ou inspiratrices elles ont souvent changé le cours des choses. N'occupent-elles pas une placeminente dans les arts les sciences le sport et l'industrie. C'est la grande photographe Berenice Abbott qui nous a laissé les plus saisissantes images de New York entre les deux guerres. C'est Marie Allard la danseuse la plus adulte du XVIIIe siècle française qui assura le triomphe des Indes galantes de Rameau. Les anciennes et modernes cœurs et cantatrices gagnées de la recherche et prix Nobel d'essences mères et suffragettes elles forment l'impressionnant cortège de figures historiques et légendaires qui ont permis aux hommes d'être ce qu'ils sont.
