Wheelwright, 1989 *The Reminiscences of a Stock Operator Collection* Edwin Lefèvre, Jon D. Markman, 2012-05-04 A

classic collection of titles featuring one of the world's greatest traders Jesse Livermore. Jesse Livermore won and lost tens of millions of dollars playing the stock and commodities markets during the early 1900s at one point making ten million dollars in one month of trading an astronomical sum for this time. His ideas and keen analyses of market price movements are as true today as they were when he first implemented them. Now for the first time ever, *The Reminiscences of a Stock Operator* Collection brings together three classic titles based on this unique individual and offers profound insights into his motivations, attitudes, and strategies. *Reminiscences of a Stock Operator*, the fictionalized biography of Jesse Livermore, has endured over seventy years because traders and investors continue to find lessons from Livermore's experiences that they can apply to their own endeavors. *Reminiscences of a Stock Operator Illustrated Edition* reproduces the original articles by Edwin Lefevre and drawings by M. L. Blumenthal published in the *Saturday Evening Post* in the 1920s. *Reminiscences of a Stock Operator Annotated Edition* bridges the gap between Edwin Lefevre's fictionalized account of Livermore's life and the actual historical events, places, and people that populate the book. Throughout the book, there are notes that detail the actual companies, people, or situations that Livermore encountered. Engaging and informative, this collection provides a complete picture of Livermore's life and trading strategies and offers tremendous value to today's serious investor or trader.

A Piece of the Action Joe Nocera, 2013-01-15 Winner of the Helen Bernstein Award for Excellence in Journalism. One of *Business Week's* Ten Best Business Books of the Year. When it was published in 1994, *A Piece of the Action* was wildly acclaimed by *Fortune*, *The Wall Street Journal*, authors Michael Lewis and Brian Burroughs. It won the Helen Bernstein Prize and was a national bestseller. Joseph Nocera describes the historical process by which millions of middle-class Americans went from being savers, people who kept their money in the bank and spent it frugally, to being unrepentant borrowers and investors. *A Piece of the Action* is an important piece of financial and social history and with a new introduction, Nocera's 2013 critique of the uses of the revolution is a powerful warning and admonition to understand what is at stake before we act, to look before we jump.
