Foot Soldiers For Christ:

Foot Soldiers for Christ Darryl Holt, 2003-06-01 In this dynamic evangelism tool Holt teaches on the essential components of an effective evangelism program and strategy for the local church Readers will learn the essential principles of how to set up an evangelism program and many more powerful teaching truths in this workbook **Satan's Super Soldiers** Barry Blackstone, 2024-04-30 Barry Blackstone has been fascinated with the biblical reference to giants since childhood but only began looking deeper into the subject when he was challenged by a member of his congregation twenty five years ago Over those years Blackstone compiled information on all the named giants and those that slew them men well known like David Joshua and Caleb and those not so well known like Othniel Elhanan and Abishai Coming to the conclusion that this race of super humans was a product of Satan's plan to corrupt man stop the coming of the Messiah and resist the Hebrews from possessing their promised land Blackstone began to see the principles and precepts needed to combat the giants of our day in our spiritual warfare against principalities against powers against the rulers of the darkness of this world against spiritual wickedness in high places Eph 6 12 Travel with this pastor through the Bible as he reveals the origin of the giants how they survived the Flood and when they were finally wiped out in the days of David With strange names like Rephaim OG Arba Anak Sheshai and of course Goliath learn about their fabled size their formidable weapons and why they all were so easily defeated This exploration will cover some of the greatest battles described in Scripture and will uncover how to win against gigantic foes personally Each chapter is written in a devotional style that will bring a spiritual encouragement to the reader and will help them see that no matter how invincible the adversary What shall we then say to these things If God be for us who can be against us Rom 8 31 **Dark Knowledge** Kenneth Low, 2011-03 The aim of this book is narrowly focused on answering one question why was Jesus Christ executed One of its mantras draws a distinction between an emotional truth and a rational idea In emotional terms every traditional Christian feels that Jesus Christ was innocent However in rational terms Jesus Christ was arrested tried convicted and executed There had to be a reason for that It couldn't have been merely a charge of blasphemy Popular discussion is replete with warnings of the daunting challenges a modern world must face and the dire consequences of failing to meet them Climate change political and economic instability as well as ongoing armed conflicts all point to a need for a fundamental shift in human perception The word apocalypse means revelation or the lifting of the veil That revelation must be the reason for the crucifixion of Jesus Christ What else could it be **The Last Cathar** Simon Tomarz, **Reforming the Household of God** Gray, Allison L., 2022 If the household of God that is the living Church is to flourish as a space where all can belong we need to meet the major challenges we face as Christians with a commitment to compassionate listening a willingness to engage in difficult or even painful conversations and a genuine dedication to taking action that serves our siblings in the human family For crucial conversations about lay leadership institutional reform and community belonging to take place the faithful must first feel empowered to see and articulate

connections between their lived experiences and the foundational texts that are part of the authoritative canon of Scripture. We have to grapple with those New Testament letters that talk about what it means to belong from the introduction. In our age of polarity, could there be a more timely book than Allison Gray's *Reforming the Household of God: Paul's Model of Belonging*? In this informed and readable book, Gray contextualizes how Paul, the Apostle, engaged metaphors to bridge the divide of differences in his communities, offering insight into how Christians might do the same today. Laurie Brink, OP, professor of New Testament studies, Catholic Theological Union, Chicago. This incredible body of work expresses the genius of Allison Gray and is a significant contribution to the canon of liberative Christian praxis. Rev. Stephen A. Green, pastor and activist, The Luke NYC.

The Christian's penny magazine, and friend of the people [ed. by J. Campbell and F.S. Williams]. Congregational union of England and Wales, 1862 **The National Magazine**, 1855 Imagining Persecution Jason Bruner, 2021-03-12. Many American Christians have come to understand their relationship to other Christian denominations and traditions through the lens of religious persecution. This book provides a historical account of these developments, showing the global theological and political changes that made it possible for contemporary Christians to claim that there is a global war on Christians. This book, however, does not advocate on behalf of particular repressed Christian communities nor does it argue for the genuineness or lack thereof of certain Christians' claims of persecution. Instead, this book is the first to examine the idea that there is a global war on Christians and its analytical implications. It does so by giving a concise history of the categories like martyrs, evidence, statistics, and metrics, and theologies that have come together to produce a global Christian imagination premised upon the notion of shared suffering for one's faith. The purpose in doing so is not to deny certain instances of suffering or death; rather, it is to reflect upon the consequences for thinking about religious violence and Christianity worldwide using terms such as a global war on Christians.

The Christian miscellany, and family visitor, 1863 Sermons For The Battlefield Dominique J. Fryar, 2012-05. One of the greatest questions in the Christian faith is how do I achieve spiritual prosperity and finally gain victory over my life? Many are tired of fighting the same fight and being dealt the same hand and want God to hurry up and answer them. Time and time again we look to our external circle to find stimulation for an internal struggle, only to find ourselves looking back at the Eternal Answer to avoid a worst situation. The keys to success are written in every self-help book and can be heard in speaking arenas around the world, but God wants us to listen to what He has to say. True success is not measured by the amount of money in your bank account or the number of people that follow a multi-million dollar empire. Change your thinking. Most millionaires and successful people still find themselves unhappy and spiritually dry and seeking for spiritual nourishment. We are charged to be different and to show others that do not know the way how to reach their greatest potential and live a spiritually prosperous life. God is calling.

every man to him The Lord has room in the kingdom for all willing to lose their life to earn eternal life and achieve spiritual prosperity No matter if you want to be rich in favor own a Fortune 500 company or just want to develop the position in your life right now God wants to show you how to take where you are and use that to get to where you want to be **Radical**

Martyrdom and Cosmic Conflict in Early Christianity Paul Middleton,2006-06-30 Several view of martyrdom co existed in the early Church The orthodox position generally accepted by scholars was that a Christian should choose martyrdom rather than deny the Faith but should not on any account court death Although it has been recognised that some in the early Church did seek a glorified death by giving themselves over to arrest most scholars have dismissed such acts as differing from the accepted attitude to martyrdom in the early Church Therefore instances of volitional or radical martyrdom have been largely overlooked or sidelined in scholarly investigations into the theology and origins of Christian martyrdom Paul Middleton argues that far from being a deviant strand of early Christianity radical martyrdom was a significant and widely held idealised form of devotion in the late first to early third centuries Christian martyrdom is placed within the heritage of Jewish War tradition with each martyr making an important contribution to the cosmic conflict between Satan and God Radical Martyrdom re examines the presentation theology and origins of Christian martyrdom up to the beginning of the Decian persecutions in the light of new perspectives on the subject **Christ's Samurai** Jonathan Clements,2016-04-07 The

sect was said to harbour dark designs to overthrow the government Its teachers used a dead language that was impenetrable to all but the innermost circle of believers Its priests preached love and kindness but helped local warlords acquire firearms They encouraged believers to cast aside their earthly allegiances and swear loyalty to a foreign god emperor before seeking paradise in terrible martyrdoms The cult was in open revolt led it was said by a boy sorcerer Farmers claiming to have the blessing of an alien god had bested trained samurai in combat and proclaimed that fires in the sky would soon bring about the end of the world The Shogun called old soldiers out of retirement for one last battle before peace could be declared in Japan For there to be an end to war he said the Christians would have to die This is a true story **Short readings for the Christian year [by E.W. People of the First Crusade Michael Foss,2011-11-01 Near the end of the eleventh century Western Europe was in turmoil beset by invasions from both north and south by the breakdown of law and order and by the laxity and ignorance of the clergy Searching for a way out of the increasing anarchy Pope Urban II launched an army of knights and peasants in 1095 to fight the Turks who had seized the Holy Land Michael Foss tells the stories of these men and women of the First Crusade often in their own words bringing the time and events brilliantly to life Through these eyewitness accounts the clichés of history vanish the distinctions between hero and villain blur the Saracen is as base or noble as brave or cruel as the crusader In that sense the fateful clash between Christianity and Islam teaches us a lesson for our own time Foss reveals that the attitudes and prejudices expressed by both Christians and Muslims in the First Crusade became the basic currency for all
