Carveley,2022-04-19 This book examines the influence of the monastic tradition beyond the Reformation Where the built monastic environment had been dissolved desire for the spiritual benefits of monastic living still echoed within theological and spiritual writing of the seventeenth and eighteenth centuries as a virtual exegetical template The volume considers how the writings of monastic authors were appropriated in post Reformation movements by those seeking a more fervent spiritual life and how the concept of an internal cloister of monastic ascetic spirituality influenced several Anglican writers during the Restoration There is a careful examination of the monastic influence upon the Wesleys and the foundation and rise of Methodism Drawing on a range of primary sources the book will be of particular interest to scholars of monastic and Methodist history and to those engaged in researching ecclesiology and in ecumenical dialogues     *A Seasonal Footprint* Lucille L Turfrey,2023-08-18 My journey has been of global proportions The sometimes spectacular sometimes sombre often times splendid at times spiritual most times satisfying brings perspective to the distinctive scenes each season displays Each holds its own colours A viewing of the ever changing landscape emphasises the where the what and the when But when the traveller pauses to reflect upon an exploration an event the deeper meanings of life may surface in the how and the why of personal experience A journey becomes a pilgrimage when one s life goal is placed in the knapsack This book offers a personal reflection on a journey that is still on track to ultimate reality     **Rome's Red Footprints in the Alps; Or, The Woes of the Waldenses in 1686 and 1689.
