know that we are to walk the walk that Christ walked making everyday decisions as God would have us do The recent popularity of the WWJD Movement highlights this desire Yet few Christians take the time to explore God's Will in every aspect of their lives and set goals that reflect a biblical approach to everyday life D James Kennedy uses biblical principles forged in his own life and in the life of the church to highlight practical ways for believers to go deeper in their spiritual walk and set long term goals according to God's Will Readers will learn to partner with Christ and set goals that will affect the way they interact with family friends church community colleagues and their environment **The Covenant of Marriage Study Guide** Mark Johnson, 2021-02-04 This twelve week study shows how the historic understanding of Covenant helps us build a

love for a lifetime Marriage Marriage is not what our culture or we say it is What is the one esh relationship that was designed by God When two enter a Covenant the identity of each party enters the other This produces a bond of shared identity between the two and alters the nature of each what God has joined together God s instructions are logical consequences of these realities We love the other as we love ourselves because the other is now part of us Our hearts want to love but we do not love consistently Why Because our guidance system our old sense of self interest pulls in other directions Covenant is not just a tie that binds It is also a plan that teaches us what to do why we do these things and how we become able to do them Our married self is a new self Obedience does not oppose our nature it authentically expresses our new self and new bond Shifting our guidance system to follow God s plan and building this new life is the path to the best Marriage
