Politics for the Love of Fandom Ashley Hinck, 2019-03-13 Politics for the Love of Fandom examines what Ashley Hinck calls fan based citizenship civic action that blends with and arises from participation in fandom and commitment to a fan object Examining cases like Harry Potter fans fighting for fair trade YouTube fans donating money to charity and football fans volunteering to mentor local youth Hinck argues that fan based citizenship has created new civic practices wherein popular culture may play as large a role in generating social action as traditional political institutions such as the Democratic Party or the Catholic Church In an increasingly digital world individuals can easily move among many institutions and groups They can choose from more people and organizations than ever to inspire their civic actions even the fandom for children s book series Harry Potter can become a foundation for involvement in political life and social activism Hinck explores this new kind of engagement and its implications for politics and citizenships through case studies that encompass fandoms for sports YouTube channels movies and even toys She considers the ways in which fan based social engagement arises organically from fan communities seeking to change their world as a group as well as the methods creators use to leverage their fans to take social action The modern shift to networked fluid communities Hinck argues opens up opportunities for public participation that occurs outside of political parties houses of worship and organizations for social action Fan based citizenship performances help us understand the future possibilities of public engagement as fans and creators alike tie the ethical frameworks of fan objects to desired social goal such as volunteering for political candidates mentoring at risk youth and promoting environmentally friendly policy Politics for the Love of Fandom examines the communication at the center of these civic actions exploring how fans nonprofits and media companies manage to connect internet based fandom with public issues

For The Love of Music Michael Steinberg, Larry Rothe, 2006-05-01 The power of music the way it works on the mind and heart remains an enticing mystery Now two noted writers on classical music Michael Steinberg and Larry Rothe explore the allure of this melodious art not in the clinical terms of social scientists but through stories drawn from their own experience In *For the Love of Music* Steinberg and Rothe draw on a lifetime of listening to living with and writing about music sharing the delights and revelatory encounters they have had with Mozart Brahms Stravinsky and a host of other great and almost great composers At once highly personal and immediately accessible their writings shed light on those who make music and those who listen to it drawing readers into the beautiful and dangerous terrain that has meant so much to the authors In recounting how they themselves came to love music Steinberg and Rothe
