For Loves Sake:

For Love's Sake Cynthia Rutledge, 2002 For Love's Sake May BURTON, 1945 For Love's Sake Only Laura Parker, 1992 For Love's Sake Velma Chamberlain, 1980-01-01 For Love's Sake, 1906 Once More Unto the Speech, Dear Friends: The comedies William Shakespeare, 2006 Applause Books

There has been a great change in the last twenty years to actor auditions which now require the demonstration of enormous flexibility. The actor is often expected to show more range than ever before and often several shorter audition speeches are asked for instead of one or two longer ones. To stay at the top of his or her game the Shakespearean actor needs more knowledge of what makes the play tick especially since the early plays demand a different style from the later ones. Each genre comedy history tragedy has different requirements. No current monologue book deals directly with the bulk of these concerns. *One More unto the Speech Dear Friends* now fills that gap. This three volume set will help actors discover the extra details of humanity that the original folio texts automatically offer. Of Shakespeare's 37 plays only *Pericles* is not included. In the trilogy of books there are over 900 separate audition possibilities. This represents about 600 more monologues than are available in any other series. There are four parts to each speech. A background giving context and approximate timing. A modern text version. The original folio version. Commentary to explain the differences between the two texts including full discussion of the devices peculiar to that speech's genre, the age and gender of the character and more.

Lawrence Durrell's Major Novels, Or, The Kingdom of the Imagination Donald P. Kaczvinsky, 1997. Through his use of Gnostic beliefs, Durrell destabilizes our notions of the real and suggests that the civilization to emerge out of the ruins of a devastated Europe will not be Christian but Quincunxial. Durrell's aesthetic and thematic concerns establish him as a significant, indeed central, voice in twentieth century British literature. His career, which spans over five decades, links the British High Modernists with the Postmodernists.

Desperate for Love Diana Fogel, 2011-12-13. There is a global epidemic of children who have been abandoned, abused, and neglected. When there is no one to care what happens to them, these children usually end up on the streets. All it takes is one person whose heart is totally submitted to serving God to influence the lives of unwanted children, a surrounding neighborhood, and even a nation. Only God's love can make such a radical change.

in one heart and ultimately transform the lives of so many others As a young teenager Lorraine Lamar cried out to God and sought Him with all her heart what began as a cry for help turned into a lifelong ministry When Lorraine responded to Gods call He rewarded her with her ultimate dream to serve in ministry rescuing Filipino children She and her husband Celina and their three children now minister to abandoned abused neglected and orphaned Filipino children at their Faith Hope and Love Kids Ranch in the Philippines The kids ranch has become a symbol of unconditional love and a model for Christian orphanages everywhere Their lives have become perfect examples of lifestyle evangelism in Christian service as they love train and care for unwanted Filipino children challenging the kids and visitors alike to be a blessing rather than a burden to society
