Cooper, Sidney Stuart Alexander, 1972 Economic Development in the Middle East Rodney Wilson, 2002-03-11 Despite its oil resources the Middle East is falling behind other regions of the developing world notably the countries of East and South East Asia Rodney Wilson examines the economic prospects for the region considering the consequences of rapid population growth including the implications for education and employment low savings levels the absence of significant inflows of private capital and foreign investment fragmentation of the banking system the basic economic infrastructure and the problems caused by excessive military expenditure falling oil prices budget deficits The author examines alternative economic directions for the region arguing that both the methods and goals of development have to be reassessed in a region where Islam prevails **Economic Development in the Middle East, 2nd edition** Rodney Wilson, 2012-11-27 By examining economic development in the Middle East in the aftermath of the Arab Spring this textbook introduces undergraduate and postgraduate students to the most pressing and topical economic issues in the contemporary Middle East With comprehensive coverage of the entire region the author examines the economic prospects for the Gulf and charts the growth of economic power in the region Organised thematically a full range of topics are discussed including the role of banks and capital markets in the region s development the impact of demographic changes such as the dramatic decline in birth rates and the implications for future employment the development of economic advances in oil and gas production the effects of the region s economic development on international and inter regional trade Through discussing the region s problems of the past as well as the present and future challenges this book provides students with a compact and manageable review of the state of economic development in the Middle East **Population Dilemmas in the Middle East** Gad G. Gilbar, 1997 This study first offers a general outline of Palestinian population growth between 1948 and 1987 and then focuses on the town of Nablus in the early 1950s for a detailed analysis of the economic forces that instigated Palestinian migration to Jordan and the Gulf The author shows how the recession that struck the Arab oil economies in the early 1980s by slowing down the migratory movement shut off the valve that had afforded the Palestinians in the West Bank and Gaza relief from economic pressures When during those same years the Israeli government instigated a policy of reducing investments in these territories the Palestinians found themselves in a no win situation with their economic plight

forming one of the main factors for the eruption of the Intifada in December 1987 Finally following Iraq's invasion of Kuwait in July 1990 most of the 300 000 or so Palestinians who had been working there left or were forced to leave and made their way to Jordan The author analyses how Jordan in coping with the resulting demographic and economic pressures adopted an antinatalist policy despite powerful political and social forces working against such a programme **The Economic**

Development Process in the Middle East and North Africa Alessandro Romagnoli,Luisa Mengoni,2013-11-12 Offering a comprehensive analysis of the development of economies in the Middle East and North Africa over the past half century this book charts the progress of these countries through an examination of an Islamic model of economic development reform processes and economic integration Far from being a simple process economic development in the Middle East and North Africa is dependent on the interaction of a set of changing systems including international relations the political regime economy and society By analysing these interdependent factors The Economic Development Process in MENA seeks to provide answers to the most pressing issues facing the economies in this area Providing an interpretation of regional development in light of dialectics between state and society this book will be of value to students and scholars with an interest in the Middle East Economics and International Relations **The Economic Structure of the Middle East** Z.
