Expositions of Holy Scripture Alexander MacLaren, 2020-08-22. Know therefore that the Lord thy God He is God the faithful God which keepeth covenant and mercy with them that love Him Faithful like most Hebrew words has a picture in it. It means something that can be 1) leaned on or 2) builded on. This leads to a double signification: 1) trustworthy and that because 2) rigidly observant of obligations. So the word applies to a steward, a friend, or a witness. Its most wonderful and sublime application is to God. It presents to our adoring love I God as coming under obligations to us. A marvellous and blessed idea. He limits His action; regards Himself as bound to a certain line of conduct: 1) Obligations from His act of creation. A faithful Creator bound to take care of those whom He has made. To supply their necessities. To satisfy their desires. To give to each the possibility of discharging its idea.
