Talking Drama Judith Roof, 2009-10-02 The essays in *Talking Drama* ask what the relation is between drama and its critics In so far as we conceive of drama and theatre as arising from and providing some sense of social ritual and comment drama is itself a critical genre showing up the foibles and problems of human existence as well as the general hubris and errors of society Plays both constitute criticism of society of ideas of other plays and deploy such self critical gambits as plays within plays characters who watch other characters characters feigning roles and personalities and even the overt inclusion of characters who are critics Plays thus comment both on themselves and on the art of theatre generally At the same time drama implies other kinds of critics in the guise of the audience reviewers and those who might participate in its ideas Just as plays produce the seeds of their own critique so they also spur critique of their aesthetics the artistry of their performance and the ideas and conflicts they illustrate Critics who review play performances are as much an intrinsic part of theatrical events as the audience and the plays themselves

Dances of José Limón and Erick Hawkins James Moreno, 2020-04-19 *Dances of José Limón and Erick Hawkins* examines stagings of masculinity whiteness and Latinidad in the work of US modern dance choreographers José Limón 1908 1972 and Erick Hawkins 1908 1994 Focusing on the period between 1945 to 1980 this book analyzes Limón and Hawkins work during a time when modern dance was forming new relationships to academic and governmental institutions mainstream markets and notions of embodiment The pre war expressionist tradition championed by Limón and Hawkins mentors faced multiple challenges as ballet and Broadway complicated the tenets of modernism and emerging modern dance choreographers faced an increasingly conservative post war culture framed by the Cold War and Red Scare By bringing the work of Limón and

Hawkins together in one volume *Dances of Jos Lim n and Erick Hawkins* accesses two distinct approaches to training and performance that proved highly influential in creating post war dialogues on race gender and embodiment This book approaches Lim n and Hawkins training regimes and performing strategies as social practices symbiotically entwined with their geo political backgrounds Lim n s queer and Latino heritage is put into dialogue with Hawkins straight and European heritage to examine how their embodied social histories worked co constitutively with their training regimes and performance strategies to produce influential stagings of masculinity whiteness and Latinidad

case studies and an online glossary *The Ecological Eugene O'Neill* Robert Baker-White, 2015-09-25 The dramas of Eugene O'Neill often called America's first serious playwright exhibit an imagining of the natural world that enlivens the plays and marks the boundaries of the characters' fates. O'Neill's figures move within purposefully animated natural environments: ocean, dense forest, desert, plains, the rocky soil of New England. This new approach to O'Neill's dramas explores these ecological settings as crucial to his characters' ability to carry out their conscious and unconscious desires. O'Neill's career is covered from his youthful one acts to the middle years' experimental dramas to the mature tragedies of his late period. Special attention is paid to the connection of ecology and theological quest and to O'Neill's persistent evocation of an exotic natural other. Combining an ecocritical approach with an examination of Classical and philosophical influences on the playwright's creative process, the author reveals a new, less hermetic O'Neill.
