issues like aid from other ships punishment of slave rebels and treatment of sailors captured by the Africans If We Must Die expands the historical view of slave resistance revealing a continuum of rebellions that spanned the Atlantic as well as the centuries These uprisings Taylor argues ultimately helped limit and end the traffic in enslaved Africans and also served as crucial predecessors to the many revolts that occurred subsequently on plantations throughout the Americas *The Boston Magazine* ,1804

Poems by Boston's Women of the Harlem Renaissance Helene Johnson, Marion Grace Conover, Alice E. Furlong, Edythe Mae Gordon, Alvira Hazzard, Gertrude P. McBrown, Grace Vera Postles, 2025-01-21 This anthology is a compilation of all the poems written by women and published in *The Saturday Evening Quill* a little known Harlem Renaissance literary journal produced by a talented group of African American writers in Boston The poets in this collection are as remarkable as their poems They were teachers researchers intellectuals and champions of social justice Living outside New York's literary hub never deterred them from pursuing their creative art W E B Du Bois wrote of *The Saturday Evening Quill* Of the booklets issued by young Negro writers in New York Philadelphia and elsewhere this collection from Boston is by far the most interesting and the best Poems by Helene Johnson Edythe Mae Gordon Marion Grace Conover Alice E Furlong Alvira Hazzard Gertrude P McBrown Grace Vera Postles illustrations by Lois Mailou Jones *The Saturday Evening Quill Club* a group of talented African American writers met on the fourth Saturday of each month in Eugene and Edythe Gordon's home in Cambridge Massachusetts Comprised of men and women in nearly equal numbers the club served as a supportive community for its members ranging from young writers at the start of their careers to more experienced mentors The club attracted Massachusetts natives and newcomers who had moved to the area for work or study In 1928 Eugene Gordon led this extraordinary group in producing 250 copies of the first issue of *The Saturday Evening Quill* a 72 page paper bound publication featuring short stories essays poems and visual art Two more annual issues followed in 1929 and 1930 [Boston Medical and Surgical Journal](#) ,1856

The Traveller's Guide Jedidiah Morse, Richard Cary Morse, 1823 [Proceedings of the Boston Area Colloquium in Ancient Philosophy](#) John J. Cleary, Gary Gurtler, 2008-08-31 With one notable exception this volume contains papers and commentaries presented to the Boston Area Colloquium in Ancient Philosophy during the academic year 2006-7 That exception is the colloquium in which Alasdair MacIntyre offers a fresh reading of Plato's Republic Indeed most of the papers included in this volume discuss a wide range of topics related to Plato for instance the dangers of misology in the *Phaedo* the Socratic use of rhetoric in the *Gorgias* Plato's anti hedonism in the *Philebus* the link between mythical and logical thinking in the *Symposium* and Heidegger's interpretation of Plato's concept of truth But apart from this obsession with Plato there are two colloquia devoted to the Epicurean notion of preconception and to the Stoic conception of

the good respectively **A History of the American Revolution** John R. Alden, 2013-07-10 The history of the American rebellion against England written by one of America's preeminent eighteenth century historians differs from many views of the Revolution. It is not colored by excessive worship of the Founding Fathers but instead permeated by sympathy for all those involved in the conflict. Alden has taken advantage of recent scholarship that has altered opinions about George III and Lord North. But most of all, this is a balanced history: political, military, social, constitutional of the thirteen colonies from the French and Indian War in 1763 to Washington's inauguration in 1789. Whether dealing with legendary figures like Adams and Jefferson or lesser known aspects of a much picked over subject, Alden writes with insights and broad eloquence. *Cy Young* Lew Freedman, 2020-07-22 An early celebrity pitcher, Denton Cy Young (1867-1955) established supreme standards on the mound. A small town Ohio farmer made good; he set Major League pitching records in the late 19th and early 20th centuries that will likely last forever. The winner of 511 games, nearly one hundred more than the second ranked hurler, Young pitched the first perfect game of the modern era as well as three no hitters. His talents helped establish the American League in 1901. Among the Hall of Fame's first inductees, he remained a sought after interviewee decades after retirement. A year after his death, the Cy Young Award was dedicated as baseball's most prestigious honor for pitchers. **Heroes and happy endings** Christine Grandy, 2016-05-16 This is a highly anticipated examination of the popular film and fiction consumed by Britons in the 1920s and 1930s. Departing from a prevailing emphasis on popular culture as escapist, Christine Grandy offers a fresh perspective by noting the enduring importance of class and gender divisions in the narratives read and watched by the working and middle classes between the wars. This compelling study ties contemporary concerns about ex soldiers, profiteers and working and voting women to the heroes, villains and love interests that dominated a range of films and novels. *Heroes and happy endings* further considers the state's role in shaping the content of popular narratives through censorship. An important and highly readable work for scholars and students interested in cultural and social history as well as media and film studies, this book is sure to shift our understanding of the role of mass culture in the 1920s and 1930s.
