Eye Of Shiva:

The Eye of Shiva Amaury De Riencourt, 2014 *The Eye of Shiva* Amaury De Riencourt, 1981 **Mastering Remote Viewing: (Remote Viewing, Third Eye & Astral Projection)**, Sapphire, **Spiritual Truths Through the Third Eye of Shiva** Rohan Bedi, 2003 **THE THIRD EYE—The Mystery of Sri Sri Ramakrishna's Visions** Dr. Siddhartha Ganguli, 2024-11-21 The 19th century Hindu super saint Avatar Sri Sri Ramakrishna descended on earth as a God incarnate to bring about harmony between different religions some of those believing in gods without forms and a few having faith on gods and goddesses with forms He was an evangelist of spirituality rather than a religious missionary His every step every move was based on his clear visions of the far and near pasts as well as the proximal and distant futures This was possible because of the mystical powers of his open and active third eye The author who is until now the only Ramakrishna scholar who has been studying him deeply bio behaviourally explains with adequate authentic supportive data that the third eye is not an imaginary concept of a creative thinker It is very much a power of the human brain's Pineal Gland It is the only sensory organ that the subtle bodied soul carries to the post death world after leaving the two biological eyes in the lifeless mortal body The book includes a list of all third eye powers that have been discovered until now and also talks about the astha siddhis the eight very special powers that the yogis acquire through sadhana There is a brief discussion also on the seven planes of existence and the post death realms where the souls move once we die *Understanding Aleister Crowley's Thoth Tarot* Lon Milo Duquette, 2017-09-01 Originally published in 2003 *Understanding Aleister Crowley's Thoth Tarot* has proved to be the essential guide to accessing the unique symbolism and meaning of Aleister Crowley's remarkable tarot deck along with the deeply textured artwork of Lady Frieda Harris Crowley authority Lon Milo Duquette starts by providing an insightful historical background before delving into descriptions of each card in depth from a tarot perspective and from an expanded magickal point of view He first describes the tarot meaning of each card in detail and then explains all the other attributions Crowley intended This unique guide has been updated with a new introduction that provides information on the unicursal hexagram cards included with the deck but never explained Replaces ISBN 9781578632763 *Stories of Shiva's Saints* Gil Ben-Herut, Professor Department of Religious Studies Gil Ben-Herut, Former Director of the Institute of Kannada Studies R V S Sundaram, 2025-08-08 The Kannada language boasts an ongoing literary tradition spanning more than a millennium with a rich array of social positions and roles religious traditions and poetic styles that developed over the dramatic history of the region Yet translations from premodern Kannada to English have been inconsistent with only a handful of works that have endured *Stories of Shiva's Saints* is the first English translation of selected stories from a thirteenth century text by Hampeya Harihara that sheds light on the rapid spread of Shiva devotion in the region through edified biographies of figures who lived a few decades earlier and the stories historical significance is matched by their gripping plots and emotional expressivity *Aliens and the Multi-Paradox of Reality* Peter J Miele, Attention All Truth

Seekers The urge to know our origin has never been greater and the secrets of humanity's past are ready to be revealed Peter J Miele pulls back the veil with this insightful depiction of our extraterrestrial ancestry and the decisive events that have formed our world today Cutting through all myth mysticism confusion and allegory to expose the raw truth Peter has personally traveled to the most remote temples on the Indian continent and around the world to bring you this Ancient Wisdom once thought lost This book is as much practical as it is spiritual guiding the reader through a detailed history of humanities bizarre beginnings influenced by a cabal of morally questionable beings from the sixth dimension of the Capricorn constellation Today even NASA has begun to study the astrophysical knowledge of the Vedas uncovering the universal truths hidden within the text How is it that a book thought to be several thousands of years old can contain exact scientific data that surpasses the forefront of our own modern age Who were these strange beings thought to be immortals that appear time and time again throughout the myths and legends of old Dare to study these mysteries and find out why the truth is far stranger than fiction

THE EVOLUTION OF RELIGION Sulabh Jain,15-06-09 History has an unsettling effect on religion Like science history is fundamentally nothing more than a range of theories based on objective evidence Mythology becomes a byword for a traditions history and history in the objective sense that we understand it today becomes distorted Thus through time both myth and history blend into an entertaining story of the world around them and their role in that world Smarana Mekala S Rao, Lucifer ,1891 *Three Creators* Vikas Jain,2020-02-14 Three Creators Is the legend ancient mythology or a highly developed modern science Can a myth be so powerful that it can keep a great intellectual civilization under its effect for thousands of years And if a powerful myth makes such an impact then will it not be fair to take that myth as the Truth One such truth is about the Three Creators They are known to the whole world as the Creator Preserver and Destroyer 2500 AD E One Planet As a consequence of accidents that occurred during a huge scientific project called salvation the atmosphere of planet E One whose ancient name was Earth has become unviable Today human civilization is sustained on three planets namely E One M One and M Two The future of the human civilization depends on the success of salvation project The Chairman of salvation Project Sukra receives a message from an alien flying object from a remote part of space Sukra and the traveler in that intergalactic spacecraft meet each other for a historic talk at a place name Kash I Gyani Sukra and the intergalactic traveler whose name is Kalki seek to understand the three creators in detail for determining the future of human civilization They both want to understand the spiritual aspect of the myth in a scientific way and the scientific aspect of it in a spiritual way Is this the end of human civilization Will Sukra understand the mysteries of the three creators After all what is this puzzle of three

Dakshayni Dr. Aruna Mukim,2022-04-19 In this novel have tried to give a blend of mythology and the perineal values and emotions of the human beings The characters here have been chosen from the pauranik literature and yet feelings and reactions they express are germane to what we find in all human beings At the thematic level the central point of the novel presents the love between shiv and sati It is related to the protection of the divinity and spirituality in the universe It suggests the union between two forces Shiv and Shakti The essential elements in a cosmic planning If shiv is a great lover then Sati too is not wanting in longing for his love However as it is sati s father great Prajapathi Daksh the son of Brahma keeps an umbrage against shiv He abhors shiv and is openly

against the matrimonial alliance between his daughter sati and shiv From the very beginning sati knows that shiv is her eternal spouse But Prajapathi Daksh is bent upon destroying this relationship However by quirk of fate sati is married to shiv Not withstanding all resistance Daksh is compelled to give his daughter away to the person he dislikes most Shiv Deeply hurt Daksh is now looking for a chance to insult his son in law when he arranges a yagya and doesn t invite them Sati burns her out there in yog Agni have presented this so repeated story from a different angle The first person narration here has been used for the expansion of philosophy and thought that result in giving a contemporary canvas have visualised myself as Sati for exploring the in depth feelings and emotions of a woman The use of the montage technique has allowed me to pick up some stories from countless stories of shiv and sati and put them into an imaginative an unputdownable literary piece
