*Ken Follett* Richard C. Turner Ph.D, 1996-11-25 Ken Follett had the purest of motives when he began writing fiction he did it for the money But after *Eye of the Needle* catapulted him to success and secured his reputation as a master of the spy thriller he both built on that success with other spy thrillers and experimented equally successfully with other genres such as the family saga and the historical romance This is the first full length study of his work and it includes individual examinations of each of his major novels from *Eye of the Needle* 1978 to *A Place Called Freedom* 1995 as well as his early novels Following a chapter on Follett s life and career Turner discusses in depth Follett s early novels and his one nonfiction work *On the Wings of Eagles* A genre chapter examines Follett s use of historical settings and his use of the genres of spy thriller saga and historical romance in his novels The rest of the study is devoted to an individual examination of each of his novels in turn with subsections on plot character theme point of view and literary devices Turner also offers an alternative critical approach to reading each novel such as psychoanalytical Marxist or reader response to give the reader another perspective from which to read and discuss it A complete bibliography of Follett s fiction general criticism and biographical sources and listings of reviews of all the novels examined in the study completes the work The only study of one of the best selling writers today who appeals to adults and young adults alike this is a key purchase for schools and public libraries

2012 This book is an investigation of Follett's development as an author and of the craft of writing and the negotiation of serious versus popular literary value from his earliest short stories and screenplays through his mature thrillers and entertainment fiction. Unpublished materials are also considered including his notes, business and personal correspondence, unpublished drafts, journal entries, and outlines. Follett's dramatic shift to writing historical fiction may be his most enduring legacy.

Pop Goes the Decade Thomas Harrison, 2017-08-24 This fascinating overview of popular culture in the 1980s describes the decade of excess that resulted from the social, political, and economic conditions of the time, documenting why so many milestones in entertainment, arts, and technology occurred. The 80s Popular Culture in the United States in the 1980s, as reflected in film, television, music, technology, and art, serves to illustrate the general feeling of American citizens during this decade that the sky was the limit and the only thing better than big was bigger. This title provides readers with an engaging in-depth study of the 1980s and supplies the larger historical and social context of popular culture in an era when the extraordinary seemed normal and all the rules were being rewritten. The book's wide scope includes the concepts, fashions, foods, sports, television, movies, and music that became popular in the 1980s. Readers will see how specific elements of the decade, such as visual art and architecture, reflect the sense of change in the 1980s, often through excessive displays of expression that helped further movements into the avant-garde. The technological advances, entertainment developments, and game-changers that were essential to establishing the popular culture of the decade are highlighted, as is the trend of how personal expression in the 80s began to penetrate a wider segment of American culture, spanning across all ages. The book also calls attention to the standout events and individuals who influenced society in the 1980s, with emphasis on the figures who intentionally used pop culture as an avenue for change, as well as the influences from the 1980s that are still felt today.

Fall of Giants Ken Follett, 2011-08-30 Ken Follett's magnificent historical epic begins as five interrelated families move through the momentous dramas of the First World War, the Russian Revolution, and the struggle for women's suffrage. A thirteen-year-old Welsh boy enters a man's world in the mining pits. An American law student, rejected in love, finds a surprising new career in Woodrow Wilson's White House. A housekeeper for the aristocratic Fitzherberts takes a fateful step above her station while Lady Maud Fitzherbert herself crosses deep into forbidden territory when she falls in love with a German spy. And two orphaned Russian brothers embark on radically different paths when their plan to emigrate to America falls afoul of war, conscription, and revolution. From the dirt and danger of a coal mine to the glittering chandeliers of a palace, from the corridors of power to the bedrooms of the mighty, *Fall of Giants* takes us into the inextricably entangled fates of five

families and into a century that we thought we knew but that now will never seem the same again      **The Armor of Light** Ken Follett, 2025-09-30      **The Modigliani Scandal** Ken Follett, 2018-06-05 A high speed high stakes thriller from Ken Follett the grand master of international action and suspense A fabulous lost masterpiece becomes the ultimate prize for an art historian whose ambition consumes everyone around her an angry young painter with a plan for revenge on the art establishment and a desperate gallery owner who may have double crossed his own life away Behind the elegance and glamour of the art world anything goes theft forgery betrayal and maybe even murder      **Triple** Ken Follett, 2018-06-05 A New York Times bestselling novel of international suspense and terror from the author of The Pillars of the Earth World Without End A Column of Fire and The Evening and the Morning As Egypt comes closer and closer to developing a nuclear bomb the Mossad s number one Israeli agent is given an impossible mission to beat the Arabs in the nuclear arms race by finding and stealing two hundred tons of uranium The world s balance of power will shift And the Mossad the KGB the Egyptians and Fedayeen terrorists will play out the final violent moves in this devastating game where the price of failure is a nuclear holocaust      *The Evening and the Morning* Ken Follett, 2022-08-23 1 New York Times Bestseller An Amazon Best Book of 2020 The thrilling and addictive prequel to The Pillars of the Earth set in England at the dawn of a new era the Middle Ages Just as transporting as The Pillars of the Earth A most welcome addition to the Kingsbridge series The Washington Post It is 997 CE the end of the Dark Ages England is facing attacks from the Welsh in the west and the Vikings in the east Those in power bend justice according to their will regardless of ordinary people and often in conflict with the king Without a clear rule of law chaos reigns In these turbulent times three characters find their lives intertwined A young boatbuilder s life is turned upside down when his home is raided by Vikings forcing him and his family to move and start their lives anew in a small hamlet where he does not fit in A Norman noblewoman marries for love following her husband across the sea to a new land but the customs of her husband s homeland are shockingly different and it soon becomes clear to her that a single misstep could be catastrophic A monk dreams of transforming his humble abbey into a center of learning that will be admired throughout Europe And each in turn comes into dangerous conflict with a clever and ruthless bishop who will do anything to increase his wealth and power Thirty years ago Ken Follett published his most popular novel The Pillars of the Earth Now Follett s masterful new prequel The Evening and the Morning takes us on an epic journey into a historical past rich with ambition and rivalry death and birth love and hate that will end where The Pillars of the Earth begins      *The Pillars of the Earth* Ken Follett, 2010-06-29 1 New York Times Bestseller Oprah s Book Club Selection The extraordinary monumental masterpiece Booklist that changed the course of Ken Follett s already phenomenal career and begins where its prequel The Evening and the Morning ended Follett risks all and comes out a clear winner extolled Publishers Weekly on the release of The Pillars of the Earth A departure for the bestselling thriller writer the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity Today it stands as a testament to Follett s unassailable command of the

written word and to his universal appeal The Pillars of the Earth tells the story of Philip prior of Kingsbridge a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known of Tom the mason who becomes his architect a man divided in his soul of the beautiful elusive Lady Aliena haunted by a secret shame and of a struggle between good and evil that will turn church against state and brother against brother A spellbinding epic tale of ambition anarchy and absolute power set against the sprawling medieval canvas of twelfth century England this is Ken Follett s historical masterpiece
