Stern's Guide to the Cruise Vacation Stephen Stern, **Stern's Guide to the Cruise Vacation 2009** , *The Spirit of Soul Food* Christopher Carter,2021-12-21

Soul food has played a critical role in preserving Black history community and culinary genius It is also a response to and marker of centuries of food injustice Given the harm that our food production system inflicts upon Black people what should soul food look like today Christopher Carter s answer to that question merges a history of Black American foodways with a Christian ethical response to food injustice Carter reveals how racism and colonialism have long steered the development of US food policy The very food we grow distribute and eat disproportionately harms Black people specifically and people of color among the global poor in general Carter reflects on how people of color can eat in a way that reflects their cultural identities while remaining true to the principles of compassion love justice and solidarity with the marginalized Both a timely mediation and a call to action The Spirit of Soul Food places today s Black foodways at the crossroads of food justice and Christian practice
