Face Of Battle:

The Face of Battle John Keegan, 1991 The Other Face of Battle Wayne E. Lee, Anthony E. Carlson, David L. Preston, David Silbey, 2021 Focusing on three battles each reflective of asymmetrical intercultural and irregular warfare this provocative harrowing and illuminating book shows how American soldiers have experienced combat in which the standard rules of engagement did not apply **The Changing Face Of Battle** Bryan Perrett, 2012-10-11 A fascinating study of the changing face of the art of warfare over the past 2000 years by one of today's most readable historians Mankind has always been in conflict Without war there would be no peace no stability no safety Men go to war to defend or acquire territory that they see as rightly theirs to defend or impose beliefs that they hold as fundamental truths In 2000 years while the causes of battle have hardly changed the conduct of battle has changed and developed apace Technology advances weaponry becomes ever more powerful military thinking shifts again and again In *THE CHANGING FACE OF BATTLE* historian Bryan Perrett reviews that continuous process of change from AD 9 through to the Gulf War By analysis of some 30 significant battle confrontations he shows in clear detail just how advanced we now are in the art of warfare **Summary of John Keegan's The Face of Battle** Everest Media, 2022-04-05T22:59:00Z Please note This is a companion version not the original book

Sample Book Insights

- 1 I have never been in a battle and I am becoming more and more convinced that I have little idea of what a battle can be like Very few Europeans of my generation have learned at first hand that knowledge which was common among their fathers and grandfathers
- 2 The first group of people I excluded from my generalization was made up of those who were not old enough to have had combat experience of the Second World War The second group was made up of soldiers who had not seen active service While the object of their war was to avoid a decision at any given time or place the Mau Mau in Kenya fought a war of raiding and subversion because they implicitly understood their inability to risk anything else
- 3 I have spent many years teaching officer cadets at Sandhurst and I have always been aware of the inherent falsity of my position I have never passed judgment on the behavior of soldiers under circumstances I have not experienced myself
- 4 The central question for the officer cadet is How would I behave in a battle The discussion with your soldiers whether it's group therapy or not will always include these emotions and sensations

The Illustrated Face of Battle John Keegan, 1989 A splendid new edition of a modern classic illustrated with paintings prints engravings battle plans and photographs and featuring a new introduction by the author
