Excerpt from *Grace and Godliness* Studies in the Epistle to the Ephesians Early in the year 1894 proposals and invitations were issued for a gathering of clergy at Cambridge in the Long Vacation with a view to the delivery of courses of lectures on theological subjects The gathering took place in the month of July when about one hundred and twenty clergymen were present in Cambridge and the announced lectures were read day by day in the Divinity School At the kind request of the Professors and Committee I undertook an expository course and on four successive mornings read upon the Epistle to the Ephesians Those readings slightly recast and carefully revised make the eight chapters of this little volume About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Grace Elaine Zietz, 2021-07-10 Walking in the grace of God in strength demands that we come to Him with confidence every time there is a decision to make or a problem to fix A strong woman of God knows she is strong only when walking in the will of God and the strength of God This volume is a verse by verse study of the Book of Ephesians Without argument the book of Ephesians is one of the most awe inspiring writings in the Bible The information given to us about the love and generosity of God toward His Church and the fact that He has done all of the things written in this book because He wanted to do it and it made Him feel good and pleased Him to do it fills us with both joy and humility

Epistle to the Ephesians After remaining eighteen months in Corinth at the conclusion of his second missionary tour he sailed thence to Ephesus in company with Priscilla and Aquila He left his companions there but he himself entered into the synagogue and reasoned with the Jews When they desired him to tarry longer with them he consented not but bade them farewell saying I must by all means keep this feast that cometh in Jerusalem but I will return again unto you if God will And he sailed from Ephesus After his departure Apollos an eloquent man and mighty in the Scriptures came to Ephesus This man was instructed in the way of the Lord and being fervent in the Spirit he spake and taught diligently the things of the Lord knowing only the baptism of John And he began to speak boldly in the synagogue whom when Aquila and Priscilla had heard they took him unto them and expounded unto him the way of God more perfectly Acts 18 Paul agreeably to his promise returned to Ephesus probably in the fall of the year 54 Here he found certain disciples who had received only John's baptism to whom Paul said John verily baptized with the baptism of repentance saying unto the people that they should believe on him which should come after him that is on Christ Jesus When they heard this they were baptized in the name of the Lord Jesus And when Paul had laid his hands upon them the Holy Ghost came upon them and they spake with tongues and prophesied Acts 19 3 6 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
