Expositions of Holy Scripture Abraham Alexander Maclaren, 2004-06-01 We stand here at the well head of a great river, a narrow channel across which a child can step but which is to open out a broad bosom that will reflect the sky and refresh continents. The call of Abram is the most important event in the Old Testament but it is also an eminent example of individual faith. For both reasons he is called the Father of the Faithful. We look at the incident here mainly from the latter point of view. It falls into three parts.
