The Total Novice's Guide To UFOs T. L. Keller,2015-11-06 You are to be commended on such a great publication and I am humbled that you would even consider adding a few lines from one of my books Paul Hellyer Former Canadian Minister of National Defense this brilliantly produced book not only serves as a superb introduction to the subject but covers some fascinating and important new material for the aficionados Timothy Good Leading Authority on UFOs and Best selling Author I offer my gratitude to you not only for the heavy copy of your book but also the light that the content provides You and your colleagues can be congratulated for your excellent summary of the history and probable significance of the ET presence on Earth Love understand Missing Time and the true nature of human abductions You will learn how alien vehicles travel here and more importantly why they are here Read how you will be impacted when the reality of UFOs and alien beings becomes known to the world And it may be just around the corner

Contact with Alien Civilizations Michael Michaud,2010-05-05 The proper study of mankind is not merely Man but Intelligence 1 Arthur C Clarke 1951 In the long running television series The X Files the original Deep Throat said to FBI Special Agent Mulder that there are those like yourself who believe in the existence of extraterrestrial life Ah but that s not the question If extraterrestrial life exists most of it may be in simpler forms comparable to the one celled organisms of Earth biology Finding such life would be fascinating for scientists but may be of only passing interest to the general public What intrigues the average citizen is the possibility of contact with extraterrestrial intelligence We want to communicate with other sentient beings learning what they know and telling them about ourselves We want to nd out how they are like us and how they are different Microorganisms don t have a lot to say There is another implication of contact that underlies this book Intel gent extraterrestrials might have an impact on our future The information they send us if any might change our cultures They could have c scious intentions toward us and possibly the technologies to reach us directly Their intentions may be benign or not Our interest in alien minds is not new The idea that intelligent beings exist beyond the Earth has been part of the Western intellectual tradition for more than 2000 years Sometimes this belief was widespread at other times it was out of fashion

The Omniverse Alfred Lambremont Webre,2015-11-17 A tour through the new science of the Omniverse its spiritual and physical dimensions and its incalculable intelligent civilizations Reveals the key travel and communication technologies of the Omniverse time travel teleportation and telepathy Unveils newly disclosed state secrets about these technologies about the findings of the NASA Mars rover missions and about a secret colony and life on Mars Explains through science how souls are holographic fragments of God and how they help create planets solar systems galaxies and universes in the multiverse We are all citizens of the Omniverse the

overarching matrix of energy spirit and intelligence that encompasses all that exists all universes within the multiverse as well as the spiritual dimensions centered on the divine Source that many call God In this scientific guide to the Omniverse Alfred Lambremont Webre reveals startling replicable evidence about extraterrestrial and extra universal life the intelligent civilizations created by souls in the afterlife top secret alien technology and the existence of a secret base as well as life on Mars The author explains how our souls are holographic fragments of God Source and how souls and Source are co creating planets and galaxies as virtual realities for soul development He addresses Grey alien control over soul reincarnation and also sheds light on the presence of invisible hyperdimensional controllers known as the Archons who feed off negative energy Revealing the key technologies of the Omniverse the author explains how hyperdimensional civilizations communicate telepathically teleport interdimensionally and travel through time He unveils newly disclosed state secrets about government possession of these technologies the findings of the NASA Mars rover missions and the secret Mars colony whose permanent security personnel is age reversed and shot back through time to their specific space time origin points with their memories blocked Integrating science and spirituality this map of the dimensions of the Omniverse sounds the call for scientific inquiry into the holographic origins of the soul the potential of time travel and our role as divine co creators with Source

The Beauty of Space Art Jon Ramer, Ron Miller, 2020-12-01 Long before humans wrote we painted From mud and ash to acrylic and computers artists across the centuries have found countless inventive ways to explore and express some of life s biggest mysteries Enter space art a genre of artistic expression that strives to capture the wonders of our universe This lavishly illustrated book chronicles the remarkable development of space art from a fledgling theme to a modern movement In Part I we traverse the history of art and astronomy from ancient times through the Industrial Revolution and into the 20th century Space Age Part II delves into the diverse techniques and subgenres of space art where you will learn about things like rocks and balls hardware art and cosmic expressionism Along the way we ll stop at places where neither humans nor spacecraft can easily go from the scorching surface of Venus and the radiation soaked volcanoes of Io to the alien terrain of exoplanets and the depths of distant galaxies Featuring hundreds of original color images from space artists and astronomers alike this book is a vivid visual story about the power of art astronomy and human curiosity A heavily revised edition of the original Beauty of Space it will entertain educate and inspire anybody who yearns to make sense of the strange and surreal sights in our universe
