DARK HONOR VOLUME 2 Zahier Adams, 2021-05-23 He s tall and slender always wearing a suit his eyes have pure darkness in them Stare at me and I will get you to tell me what you desire the words spoken in a deep soft tone that can make the hair at the back of your neck stand up All his life he has been trying to make people believe that darkness and evil are all a myth That way he lures them to his dungeon and Grins at their pain and blood splattering all over the floor as the rats feast on the remains of the dead bodies His dark eyes do not only mislead you into trusting him but also make you feel like it s the safest place to be Lucifer Morningstar has served many years in prison his reputation is well known into bringing fear into others just by the whisper of his name He walks across the dungeon as his slaves plead for death than to live the fear of anticipation of the unknown Lucifer turned his son into a demon Joshua is different though he is fast and smart and only kills when necessary until one day his dad Underestimate his capabilities and finds out his son is more dangerous than he anticipated Joshua has a sister who has a secret of her own the only person who knew her secret is buried six feet under Lucifer s enemies never live long enough to tell the tale and being the most feared and cruel person on earth makes his family a constant target Until one day he loses two precious people In his life even though he has been warned of the consequences to his his actions will lead to death of the two dear loved ones in his life This has angered him in such way that he see humanity as repelling The Shadows the tales the story you have heard is all true the bedtime stories that was read to him as a child was not just a story It was a sign to prepare him for the future Wherever Joshua went he always felt a strong presence around him Getting older he started to understand the evil his surrounded by and the evil that really exist The blood of a demon weakens you especially when you have it running in through your veins It infuriates you with anger and strength The more you fight it the weaker you become only the blood of a angel can save you Thread carefully look back those shadows aren t ordinary shadows it s your enemies within you Joshua s consistency of his drug habit makes him weaker
