Reuben, Eric Feldheim, 1977 Eyewitness to Jewish History Benjamin Blech, 2004-08-13 Publisher Description Eyewitness to American Jewish History Part 3 Azriel Eisenberg, 1976-06-01 **Eyewitnesses to American Jewish History Pt. 2** Azriel Eisenberg, 1977-10 United States Jewry, 1776-1985 Jacob Rader Marcus, 2018-02-05 The third volume covers the period from 1860 to 1920 beginning with the Jews slavery and the Civil War and concluding with the rise of Reform Judaism as well as the increasing spirit of secularization that characterized emancipated prosperous liberal Jewry before it was confronted by a rising tide of American anti Semitism in the 1920s The Jews in Colonial America Oscar Reiss, 2015-01-24 The first synagogue in colonial America was built in New York City in 1730 on land that was purchased for 100 plus a loaf of sugar and one pound of Bohea tea The purchase of this land was especially noteworthy because until this time the Jews had only been permitted to buy land for use as a cemetery However by the time the Revolutionary War began the Jewish religious center had become fairly large Early in their stay in New Amsterdam and New York many Jews considered themselves to be transients Therefore they were not interested in voting holding office or equal rights However as the 18th century came to a close Jews were able to accumulate large estates and they recognized that they

needed citizenship After a brief overview of the Jews migrations around Europe the West Indies and the North and South American continents this book describes the hardships faced by the Jewish people beginning with New Amsterdam and New York and continuing with discussions of their experiences in Pennsylvania New Jersey Delaware New England and in the South Subsequent chapters discuss anti Semitism slavery and the Jews transformation from immigrant status to American citizen
