Literature, Modernism, and Dance Susan Jones,2013-08-01 This book explores the complex relationship between literature and dance in the era of modernism During this period an unprecedented dialogue between the two art forms took place based on a common aesthetics initiated by contemporary discussions of the body and gender language formal experimentation primitivism anthropology and modern technologies such as photography film and mechanisation The book traces the origins of this relationship to the philosophical antecedents of modernism in the nineteenth century and examines experimentation in both art forms The book investigates dance s impact on the modernists critique of language and shows the importance to writers of choreographic innovations by dancers of the fin de siècle of the Ballets Russes and of European and American experimentalists in non balletic forms of modern dance A reciprocal relationship occurs with choreographic use of literary text Dance and literature meet at this time at the site of formal experiments in narrative drama and poetics and their relationship contributes to common aesthetic modes such as symbolism primitivism expressionism and constructivism Focussing on the first half of the twentieth century the book locates these transactions in a transatlantic field giving weight to both European and American contexts and illustrating the importance of dance as a conduit of modernist preoccupations in Europe and the US through patterns of influence and exchange Chapters explore the close interrelationships of writers

and choreographers of this period including Mallarmé Nietzsche Yeats Conrad Woolf Lawrence Pound Eliot and Beckett Fuller Duncan Fokine Nijinsky Massine Nijinska Balanchine Tudor Laban Wigman Graham and Humphrey and recover radical experiments by neglected writers and choreographers from David Garnett and Esther Forbes to André Howard and Oskar Schlemmer

*Disciplinary and Dissent in Cultural Studies* Cary Nelson, Dilip Gaonkar, 2013-10-28 First published in 1996

As recently as the early 1990s people wondered what was the future of cultural studies in the United States and what effects its increasing internationalization might have What type of projects would cultural studies inspire people to undertake Would established disciplines welcome its presence and adapt their practices accordingly *Disciplinary and Dissent in Cultural Studies* answers such questions It is now clear that while striking and innovative work is underway in many different fields most disciplinary organizations and structures have been very resistant to cultural studies Meanwhile cultural studies has been subjected to repeated attacks by conservative journalists and commentators in the public sphere Cultural studies scholars have responded not only by mounting focused critiques of the politics of knowledge but also by embracing ambitious projects of social political and cultural commentary by transgressing all the official boundaries of knowledge in a broad quest for cultural understanding This book tracks these debates and maps future strategies for cultural studies in academia and public life The contributors to *Disciplinary and Dissent in Cultural Studies* include established scholars and new voices In a series of polemic and exploratory essays written especially for this book they track the struggle with cultural studies in disciplines like anthropology literature and history and between cultural studies and very different domains like Native American culture and the culture of science Contributors include Arjun Appadurai Michael Denning Lawrence Grossberg Cary Nelson Constance Penley Andrew Ross and Lynn Spigel
