**A Theology for Christian Education** James R. Estep, Michael Anthony, Gregg Allison, 2008-09-15 What is Christian about Christian education how is it different from on Christian education A Theology for Christian Education examines this question in depth and argues that the doctrines of systematic theology should drive the content purpose and methods of the educational program of the church The book states Christian education is distinct from other kinds of education in that its aim is the transformation of the whole person into the likeness of Christ Col 1 28 Christian education is the process of accomplishing this aim A Theology for Christian Education dedicates chapters to examining particular doctrines and their implications for Christian education It is the only serious academic text to offer a systematic presentation of the intersection of theology and Christian education from a conservative evangelical perspective The Rite of Confirmation Peter R. Monkres, R. Kenneth Ostermiller, 2010-04-01 To mature spiritually Christians need a place to develop and test their relationship with God to reflect on the essential theological concepts that are part of the faith tradition and to enjoy opportunities to serve others These are the foundation stones of the rite of confirmation from the Introduction The Rite of Confirmation is an adult study guide that allows clergy Christian educators and lay leaders to discuss and explore how confirmation can open the door to a lifelong ministry of recognizing ways to grow in faith Monkres and Ostermiller's groundbreaking research provides information on new approaches to the teaching and understanding of confirmation and includes the authors concept of confirmation as a repeatable rite Existing models of confirmation are explored leading to a discussion of the ways in which confirmation can be more meaningful in the church today **International Handbook of the Religious, Moral and Spiritual Dimensions in Education** Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This International Handbook presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education The result is a collection of essays which reflects the discipline in all of its internationality as it is today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world **Black and White Styles of Youth Ministry** William R. Myers, 2009-10-01 Bill Myers has offered a much needed picture of black and white styles of youth ministry His own style of writing is stunning The book is so rich in historical reflection and descriptive detail that one cannot avoid being confronted by the urgent issues of race culture and social history all vitally

important in shaping ministry Mary Elizabeth Moore School of Theology at Claremont
