**Murder on Location** Sara Rosett, 2017-08-03 , **The Sign of Jonas** Thomas Merton, 2002-11-18 This diary of a monastic life is a continuation of The Seven Storey Mountain Astonishing Commonweal Chronicling six years of Thomas Merton's life in a Trappist monastery The Sign of Jonas takes us through his day to day experiences at the Abbey of Our Lady of Gethsemani where he lived in silence and prayer for much of his life Concluding with the account of Merton's ordination as a priest this diary documents his growing acceptance of his vocation and the greater meaning he found within his private world of contemplation This book is made unmistakably real and almost at times unbearably poignant by the fact that the exuberance of youth so often wells up through it with rapture impatience and even bluster The New York Times A stirring book the most readable and on the whole most illuminating of the author's writings Catholic World *The Mommie Dearest Collection* Christina Crawford, 2017-11-21 Together in one volume for the first time The harrowing 1 New York Times bestseller with a new introduction and its triumphant sequel This volume includes two memoirs by Christina Crawford recounting the abuse she endured as a child and her journey to recovery as an adult Mommie Dearest An unprecedented memoir of child abuse Mommie Dearest also chipped away at the facade of Christina Crawford's alcoholic abuser her adoptive mother movie star Joan Crawford What transpired between a seemingly fortunate child of Hollywood and a controlling and desperate woman was an escalating nightmare and for Christina a fierce struggle for independence This ebook features an exclusive new introduction by the author plus rare photographs from her personal collection and a revealing one hundred pages of material not found in the original manuscript A horror story that goes beyond showbiz scandal mongering Delivers an unexpected charge The New York Times Probably the most chilling account of a mother daughter relationship ever to be put on paper Los Angeles Times Survivor Mommie Dearest cast a spotlight on the unspoken

horrors of family violence but the years following its publication tested Christina Crawford's resilience in unexpected ways a backlash intended to shame her a film adaptation that compounded the trauma alcoholism divorce and a stroke that left her paralyzed Staying true to her fighting spirit the author made a remarkable comeback Survivor is more than a memoir of triumph over tragedy For anyone who has suffered challenging despair it is a spiritual roadmap to recovery finding peace and celebrating a fulfilling life One closes this fine moving read with great respect for Christina Crawford Kirkus Reviews
