The Politics of Pessimism in Ecclesiastes Mark R. Sneed,2012-02-27 Scholars attempt to resolve the problem of the book of Ecclesiastes heterodox character in one of two ways either explaining away the book's disturbing qualities or radicalizing and championing it as a precursor of modern existentialism This volume offers an interpretation of Ecclesiastes that both acknowledges the unorthodox nature of Qoheleth's words and accounts for its acceptance among the canonical books of the Hebrew Bible It argues that instead of being the most secular and modern of biblical books Ecclesiastes is perhaps one of the most religious and primitive Bringing a Weberian approach to Ecclesiastes it represents a paradigm of the application of a social science methodology

The Wrong Hands Mark Billingham,2024-06-20 This is one case Miller won't want to open _____ I'm excited to have found a new favourite detective CLAIRE DOUGLAS Neat plot twists and a likable cast of offbeat characters all served up with plenty of black humour MAIL ON SUNDAY Simply fantastic LISA JEWELL Unconventional Detective Declan Miller has a problem Still desperate to solve the murder of his wife a young man has just appeared on his doorstep with a briefcase containing a pair of severed hands Miller knows this case is proof of a contract killing commissioned by local ne'er-do-well Wayne Cutler a man he suspects might also be responsible for his wife's death Now Miller has leverage but unfortunately he also has something that both Cutler and a villainous fast food kingpin are desperate to get hold of Chuck in a Midsomer Murders obsessed hitman a psychotic welder and a woman driven over the edge by a wayward Crime Egg and Miller is in a mess that even he might not be able to dance his way out of _____

The Portrait Danielle Steel,2025-09-30 A gifted portrait artist and a high-powered subject confront past wounds to embrace new love in this poignant novel by 1 New York Times bestselling author Danielle Steel Devon Darcy's reputation precedes her As a highly sought-after portrait artist she seems to have the ability to peer into the souls of her subjects and then capture them on canvas But the world doesn't know about the devastating losses she has endured first as an orphan then as a far too young widow When entrepreneur Charles Mackenzie Taylor sees her at a New York gallery event he is instantly haunted by her

beauty and her talent Having lost his mother when he was thirteen and still living in the cold shadow of his late banker father s disapproval Charlie has given up on love He s resigned himself to a loveless marriage to avoid the inconvenience of divorce But Devon awakens something in him across that crowded gallery and she is in turn intrigued by Charlie He approaches her to paint his portrait and while her schedule is booked for many months before she can accommodate him with the electricity between them palpable When they encounter each other over the summer in the Hamptons their connection deepens as they each release years of pent up emotions and unfulfilled longing But the ghosts of their pasts are not easily put to rest Charlie wrestles with his fear of real intimacy for the first time in his life while Devon struggles with her fear of abandonment And after an accident endangers Devon s career they must decide together what their future holds Danielle Steel s sensitive portrait of two successful people who have built walls around themselves is a wise chronicle of the rocky path to true courage and connection
