Fast Forward:

Fast Forward 2 Lou Anders, 2010-03-19 When Fast Forward 1 debuted in February 2007 it marked the first major all original all SF anthology series to appear in some time and it was met with a huge outpouring of excitement and approbation from the science fiction community No less than seven stories from Fast Forward 1 were chosen to be reprinted a total of nine times in the four major Best of the Year retrospective anthologies a wonderful testament to the quality of contributions in our inaugural book What's more Fast Forward 1 was hailed repeatedly as leading the charge in a return of original unthemed anthologies series several more have since appeared in our wake Now the critically acclaimed groundbreaking series continues featuring all new stories from Paul Cornell Kay Kenyon Chris Nakashima Brown Nancy Kress Jack Skillingstead Cory Doctorow and Benjamin Rosenbaum Hear the podcast Jack McDevitt Paul McAuley Mike Resnick and Pat Cadigan Ian McDonald Kristine Kathryn Rusch Karl Schroeder and Tobias S Buckell Jeff Carlson Paolo Bacigalupi Fast Forward Scott B. MacDonald, 2018-01-18 Latin America is developing rapidly As the authors see the region a small group of countries has found a fast forward button In these countries change is exciting occurring at such a rapid pace that a major breakthrough in economic growth appears within grasp After an almost decade long period of recession and stagnation many Latin American economies now have elected governments With a few exceptions most have also improved their socioeconomic conditions beyond meeting basic human needs Yet few North Americans or Europeans are aware of these advances How does Latin America fit into the changing world in the 1990s and why should someone living in the United States Europe or developed parts of the Pacific Basin care Fast Forward shows that Latin America's economic renaissance clearly has implications for a post Cold War world order Latin America is starting to make important contributions particularly in the areas of international diplomacy economics and culture Collectively Latin Americans now demonstrate a coherent collective will about where they wish to take themselves This does not mean that U S influence in the Americas will soon disappear but that new challenges in the international system will force greater equity in Western Hemisphere relationships While Latin America in the 1990s offers much to be excited about the authors caution that there are dangers in being too enthusiastic The always present potential for top down authoritarian approaches must temper enthusiasm about a better Latin American future Despite this the authors see a well defined departure from past economic modes occurring and the potential for a higher level of development for some countries This book is for economists sociologists and political scientists interested in economic and political development and researchers interested in Latin America in particular

Fast Forward James Lardner, 1988-07 Fast-Forward Your Retirement through Property Jason Lee, 2011-05-27 If you are after something more than the mundane eight to five working day for the rest of your working life then Fast Forward Your Retirement through Property is the book for you In this straightforward guide Jason Lee exposes the flaws in current retirement thinking and shows you how property is the cornerstone of wealth creation The book explores the property

investment process in detail describing the types of deals that fast forward your retirement how to find the right deals how to minimise risk how to finance deals using a combination of bank and private investor finance and how to use teamwork to turn deals into reality The book also examines current market conditions and the importance of timing and reveals how a slow market can be the perfect platform from which to fast forward your retirement through property Anyone can play the property game Regardless of your vocation qualifications or financial status property is the retirement plan that is available to all This book demonstrates how you too can take charge of your future and achieve a secure retirement through property
