Psychic Grace Keli Adams, 2011-10-14 Psychic Grace is based on the true life story of a psychic flight attendant who communicates and connects people with deceased loved ones and pets She is also a paranormal investigator who hunts ghosts for sport She can remotely view throughout space and time to be psychically in touch with living animals people objects and communicates in an amazing way with people in a coma or on life support from any distance She is a hospice volunteer who enjoys visiting dying patients and their families in the hospital Some of her unique communications with hospice patients in this book will touch your heart make you laugh and marvel at what seems to be great insight wisdom and peace with the dying All of this is what feeds Grace's soul and makes her heart smile Regardless of whether people find her bizarre weird enchanting a freak entertaining the spawn of Satan or an angel sent here to do divine work she's normal in her world and just trying to get along as she tirelessly swims upstream in mainstream physicality I ought to know I am the author of Psychic Grace and this is me Every character in this book is based on a real person who has magically touched my life in many ways I am blessed to have known you even for a moment Maid of Shadow Douglas Milewski, 2020-09-05 Pabi is used to acting on her own She's a hard worker who gets things done and she doesn't need anybody else getting underfoot Given hard knocks she takes them and gets back up That's what it means to work for a verifiable hero who rides dragons and fights anything When Pabi's boss sticks her with two other girls her own age she finds her freedom trampled One is a miss perfect dragon rider who seems to succeed at everything and the other is a girl who invents magical contraptions For a person whose main skill is getting lost in a crowd having other people along really cramps her style How did she get here That's a complicated story Land of Shadows: A Story of First Contact Michael Wojahn, 2025-06-05 As man expands out from Earth who will he meet Will they be friend or foe How will their and our past experience affect how we view each other Will our differences set us apart or bring us together These and many other questions will have to be answered as man takes to the distant worlds of our future **Destination Zero** Sam Hamill, 1995 The poetry of American poet Sam Hamill founding editor of Copper Canyon Press *Untold Adventures* John Shirley, Alan Dean Foster, Lisa Smedman, Mark Sehestedt, Mike Resnick, 2011-06-07 Your favorite award winning critically acclaimed and best selling authors unite to tell stories set in the Dungeons Dragons world filled with desperate dragons and cruel elves honorable demons and fickle gods wild magic and the sharpest of steel You don't want to miss this rarest of opportunities to get a glimpse into the D D adventures created by some of the most brilliant fantasy writers of our age *Placing John Haines* James Perrin Warren, 2017-02-15 John Haines arrived in Alaska fresh out of the Navy in 1947 and established a homestead seventy miles southeast of Fairbanks He stayed there nearly twenty five years learning to live off the country hunting trapping fishing gathering berries and growing vegetables Those years formed him as a writer the interior of Alaska and especially its boreal forest marking his poetry and prose and helping him find his unique voice *Placing John Haines* the first book length study of his work tells the story of those years but

also of his later itinerant life as his success as a writer led him to hold fellowships and teach at universities across the country James Perrin Warren draws out the contradictions inherent in that biography that this poet so indelibly associated with place and authentic belonging spent decades in motion and also sets Haines's work in the context of contemporaries like Robert Bly Donald Hall and his close friend Wendell Berry The resulting portrait shows us a poet who was regularly reinventing himself and thereby generating creative tension that fueled his unforgettable work A major study of a sadly neglected master Placing John Haines puts his achievement in compelling context

Taking a Chance Lesley M Francis, 2016-05-13 Trust her to die happy Just lying there in bed all tranquil not a care in the world smiling sweetly too like she's taking a refreshing nap Listening to the heavenly choir no doubt And another thing that's a real smile Well anyway it's not the usual allure free rictus she pins on the one that's about as soothing as a Jolly Roger suddenly hoisted on the only lifeboat responding to your may day call Taking a Chance traces the relationship between Imogen and her mother Ada culminating in Ada's death when Imogen is fifty years old Imogen's reminiscences start with her discovery of Ada's death revealing her quirky coping philosophy as she does so Incredibly intelligent but maybe too nice a shock discovery will have devastating consequences for her good nature Ada with a head chock full of romantic illusions needs to lose a husband in order to facilitate her dreams Claiming that his death was a tragic accident she is convicted of manslaughter and sentenced to 5 years imprisonment Only her son Robin is convinced that she is a murderer Imogen vehemently disagrees at least at the beginning It is only much later after fear on behalf of her sick mother has taken hold that she realises her mistake On the night before Ada's death Ada confesses devastating new information that destroys their relationship and has the power to tear the whole family apart In a shocked rage Imogen fails to return her mother's medication to the locked medicine cabinet as usual Taking a Chance is a gripping sometimes humorous tale of a family in turmoil Similar in style to Maeve Binchy it will appeal to fans of stories with shocking twists and unexpected endings
