The Deathbed Sutra of the Buddha George C. present volume makes a unique contribution to the study of dying in ancient cultures by focusing on what happens in the critical moments before death Employing a wide range of literary sources the essays in this volume focus exclusively on the moment of death and practices associated with the transition from this world to the next Five of the essays deal with Asian religions primarily Buddhism in India Tibet China and Japan The other five essays deal with the moment of death in the West old Norse Icelandic Old English and the Judeo Christian tradition The authors explore the many ways in which the good death was envisioned Remarkable parallels emerge between the good death in religious texts and in heroic sagas Despite the diversity of cultures time periods and religious traditions represented in these essays this volume vividly illustrates the fundamental human need to see in the inevitable moment of death a possibility of choice and a promise of hope

Guidance from your Deathbed Paul Kasch,2025-03-12 We humans are a stubborn lot We don't like anyone telling us what to do so we resist outside advice There is only one person we respect enough to actually take counsel from and that is our self No wonder as we are the only one holding our own personal priorities formed of the unique set of data we alone have accumulated In Paul Kasch's latest work the reader will be shown how to get in touch with their future self for help with life's most important matters today The advice you solicit from yourself will take place at the point where you have finally set your clearest priorities and accumulated your highest level of wisdom your deathbed But there is more to deathbed wisdom than the presumed notion of take more days off to play with your kids Much more In fact for some that could even be the wrong advice Valuable deathbed guidance is something highly customized for the individual Get ready for the most beneficial exercise in self accountability you will ever undertake And then get ready to live your true best life in this one and beyond
