Daniel Hays, 2016-02-10 With this careful nuanced exegetical volume in the New Studies in Biblical Theology J Daniel Hays provides a clear theological foundation for life in contemporary multiracial cultures and challenges churches to pursue racial unity in Christ *From Every People and Nation* David M. Rhoads, A diverse group of New Testament scholars and theologians offer myriad paths to a better understanding of the Book of Revelation They discuss topics such as Hispanic Cuban American and African American perspectives ecological issues postcolonial themes and liberation theology The book also provides a set of guidelines for intercultural Bible study The volume's contributors include Brian K Blount Justo Gonzalez Harry O Maier Clarice J Martin James Okoye Tina Pippin Pablo Richard Barbara R Rossing Victor Westhelle Khiok Khng Yeo **The Multinational Kingdom in Isaiah** Andrew H. Kim, 2020-09-24 The kingdom of God functions as a key theme that clarifies the direction of redemptive history The canonical narrative portrays God's dealing with humanity on both individual and corporate levels Throughout the history of the church many have claimed that national Israel is best read as a type of an eschatological consummation of individuals drawn from all nations However does the direction of redemptive history consummate with a redemption of individuals or does it include national entities Do the promises to national Israel become fulfilled typologically through a singular corporate reality or in a multinational kingdom which includes national Israel In *The Multinational Kingdom in Isaiah* Andrew H Kim addresses arguments from those who claim that Isaiah serves as a turning point in which national distinctions are erased in the eschatological kingdom Kim argues that Isaiah envisions a multinational kingdom comprised of Israelites and gentiles with national and territorial distinctions **Let the Nations Be Glad!** John Piper, 2022-09-27 John Piper's bestselling book on missions draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach Piper offers a biblical defense of God's supremacy in all things providing readers with a sound theological foundation for missions This 30th anniversary edition of a contemporary classic now in paperback incorporates insights from the author's refined thinking over the past 10 years Used extensively as a textbook for missions courses and a resource for ministries *Let the Nations Be Glad* provides a passionate plea for God centeredness in the whole enterprise of world evangelization and explores the role of prayer and spiritual warfare The book is essential reading for those involved in or preparing for missions work It also offers enlightenment for students pastors youth workers campus ministers and all who want to connect their labors to God's global purposes Democracy in America: Is it in Peril? Plammoottil V. Cherian, 2023-02-23 Democracy in the world is backsliding in many countries around the globe at the present time due to various reasons Different nations may have their own particular

reasons such as socioeconomic inequality poverty failure of checks and balances that may result in an abrupt military coup d'etat to change from democracy to tyranny In nations where democracy failed there were no tanks on the street Constitution of the land remained but elected leaders became autocrats maintaining a veneer of democracy America being a nation with nearly 80 percent of Christians has been the strongest democracy in the world who championed it as the model for the rest of the world However democracy in America appears to be in peril because of political bickering partisan gridlock and promulgation of falsities misinformation and faux faith by one political party By introducing the foundational principles of democracy from the philosophical arguments of Socrates Plato and Aristotle the author shows how and why the cornerstone of democracy in America shows signs of crumbling The book vividly explains Politics without God will shatter the foundation of democracy Present political system rejects the checks and balances laid by the founding fathers The right wing has cultivated a spirit of untruth that spreads like a wildfire Rejecting truth by political parties and leadership is a sign of strong delusion There is a clear moral bankruptcy in the present political sphere of our nation The brightness of democracy in America which Tocqueville praised has been tarnished Hypocritical and dishonest leaders should not reign lest the people be ensnared American politicians must register their solemn oath in heaven to act in truth No nation can be established in one day but can shatter in one day by a despot America must realign with God to lead the nation in truth justice and freedom for all Democracy turns to tyranny when a moral man becomes amoral With biblical prophecies and instructions the author shows that America faces a real threat to its democracy unless it resists tyrants with all their mind soul and strength which is obedience to God who can anchor the nation on its solid foundation set by the Founding Fathers Every citizen political and judicial leaders of the nation are the cupbearers and the watchmen of the nation The Sabbath Recorder, 1918 *Report Service Citizens of Delaware. Americanization Bureau, 1923* **An Analytical Concordance to the Holy Scriptures** John Eadie, 1857 The Purpose-Driven God Dennis D. Cochrane, 2025-01-28 Compelled by his own character God is passionate to make himself known to people from every tribe language and nation on earth In The Purpose Driven God author Dennis D Cochrane explores this global mission and the importance it holds for God Cochrane identifies five matters of supreme importance to God his desire for personal oneness with humankind universal worship for himself because he seeks only what rightly and exclusively belongs to him his promises made with an oath to bless people in all nations through Abraham's descendants ultimately Christ the inheritance God promised his Son I will make the nations your inheritance the ends of the earth your possession and the Lord's compassion for humankind in their temporal and eternal needs The Banner of Israel, 1888 **The Law of Nations** Emer de Vattel, 1849 *Follow the Lamb* Douglas D. Webster, 2014-09-16 The Revelation builds conviction inspires worship and encourages patient endurance This is a prison epistle like no other a disciple making tract a manifesto an extraordinary treatise on Christ and culture and a canonical climax We come expecting to learn the ABCs of the end times and the Apostle John gives us the fullness and fury of his Spirit inspired praying imagination Meaning

is not found in cleverly devised interpretations but in God's redemptive story. The apostle's purpose was to strengthen the people of God against cultural assimilation and spiritual idolatry, not to stimulate end times speculation. The Revelation is a sustained attack against diluted discipleship with an unrelenting focus on the immediacy of God's presence in the totality of life. Nothing escapes the gaze of Christ. Salvation Accomplished by the Son Robert A. Peterson, 2024-06-17. In this unique and insightful work, Robert Peterson insists that we look afresh at all that the Bible teaches about who our Savior is and what he has accomplished with the conviction that a careful examination of this teaching will lead us to adoration and worship. Peterson explains the saving work of Christ both his deeds and the biblical pictures illustrating them and thereby points to the magnitude of what Jesus did to save sinners. Offered here is a substantive, significant, and enduring treatise on a key Christian doctrine: the work of Christ. **An Analogy of the Old and New Testaments Systematically Classified** Thomas Whowell, 1843. *The life of ...
