From Fjord To Frontier:

From Fjord to Frontier - a History of the Norwegians in Canada Canada. Multiculturalism Directorate, G. LOKEN, 1980

From Fjord to Frontier Gulbrand Loken, 1980 A unique and authoritative contribution to Canadian history A series that blends fine scholarship and popular appeal Canada's diverse heritage is explored through original studies of the immigrant communities who have forged this nation's character their backgrounds in their homelands their problems in the New World and the contributions they have made to Canadian history and culture **A Scandinavian Heritage** Joan

Magee, 1996-08-10 The Scandinavian presence has been felt in many parts of Canada including the Windsor Detroit border region A Scandinavian Heritage surveys the numerous contributions made in this area by the people of 5 nations Denmark Norway Sweden Finland and Iceland The history of these people from the first settlers to the present is explored in detail The experiences common to each of the nationalities are shown and contrasted to the unique perspective brought by each group to this country Included is a survey reflecting the experiences of the present day Scandinavian community To highlight this special history Joan Magee has included an ample selection of photographs and illustrations **The Princess Doll's**

Scrapbook Elaine Melby Ayre, 2014-12-04 imparts evanescent visions of oceans crossed and lands traversed from the late 1800s and grounds the reader to the present time Beginning in Norway and culminating in Canada a lovingly crafted outline of the author's rich family history more than the record of an heirloom or a family tree the reconstruction of the story of a family rooted and established in love sharing an unshakeable faith and reaping the blessing of a clan that has spanned centuries a compelling work because of the universal appeal of seeking out one's family history and the sense of timeless belonging revealed throughout a haunting yet comforting story that shares the same interesting elements of famous stories that explore the details of pioneer living I compliment you on your thorough thoughtful research and your writing style This book is a real treasure It will appeal to a variety of readers young and old anyone interested in Norwegian immigrant stories or who want to know something about researching family history and learn what drew relatives to Canada a century ago and about the adventure of doing research about things of value to us *Settling the Canadian-American West, 1890-1915* John

William Bennett, 1995-01-01 This anthropological history tells the story of homesteading and community organization in the Canadian American West through personal reminiscences and locally written histories John W Bennett and Seena B Kohl interpret those stories through the lenses of history and social science and they present a view of settlement experience as one phase of the evolving postfrontier society and culture of western North America *Settling the Canadian American West 1890 1915* contains a synthesis of Canadian and U S settlement experiences giving to the extent possible equal space to both sides of the international boundary The experiences of people in these adjacent territories were virtually identical with emigrant populations from the same countries and socioeconomic strata Among other aspects of the homesteading experience the authors explore the interactive adaptation that developed in the West Networks of mutual aid reverently

remembered by the voices found in these pages eased the inevitable hardships **River Road** Gerald Friesen,1996-12-03 The prairies are a focal point for momentous events in Canadian history a place where two visions of Canada have often clashed Louis Riel the Manitoba School Question French language rights the 1919 Winnipeg General Strike and the dramatic collapse of the Meech Lake Accord when MLA Elijah Harper voted No Gerald Friesen believes that it is the responsibility of the historian to tell local stories in terms and concepts that make plain their intrinsic value and worth that explain the relationship between the past and the present For local experiences to have any relevant meaning they must be put into the context of the wider world These essays were written for the general reader and the academic historian They include previously published works many of them revised and updated from a wide variety of sources and new pieces written specifically for River Road examining aspects of prairie and Manitoba history from many different perspectives They offer portraits of representatives from different sides of the prairie experience such as Bob Russell radical socialist and leader of the 1919 General Strike and J H Riddell conservative Methodist minister who represented sane and safe stewardship in the 1920s and 1930s They explore the changing relationship between Aboriginal peoples and the dominant society from the prosperous Metis community that flourished along the Red River in the 19th century and produced Manitoba s first Metis premier to the events that led to the Manitoba Aboriginal Justice Inquiry in the 1980s Other essays consider new viewpoints of the prairie past using the perspectives of ethnic and cultural history women s history regional history and labour history to raise questions of interpretation and context The time frame considered is equally wide ranging from the Aboriginal and Red River society to the political arena of current constitutional debates Storied Landscapes Frances Swyripa,2010 Storied Landscapes is a beautifully written sweeping examination of the evolving identity of major ethno religious immigrant groups in the Canadian West including Ukrainians Mennonites Icelanders Doukhobors Germans Poles Romanians Jews Finns Swedes Norwegians and Danes The Encyclopædia Britannica ,1895 **Canadian History: Beginnings to Confederation** Martin Brook Taylor,Doug Owsen,1994-01-01 In these two volumes which replace the Reader s Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Expectations Unfulfilled: Norwegian Migrants in Latin America, 1820-1940** ,2015-12-04 In Expectations Unfulfilled scholars from Argentina Belgium Brazil Mexico Norway Spain and Sweden study the experiences of Norwegian migrants in Latin America between the Wars of Independence and World War II *The Law of Maritime Boundary Delimitation* Alex G. Oude Elferink,2021-09-27 This volume presents an analysis of the maritime boundary delimitations of the Russian Federation The focus of this analysis is the relationship between state practice and the rules of public international law applicable to the delimitation of maritime zones between neighboring states A first part establishes the contents of the law in this field The main part of the work concerns an analysis of the position of the Russian Federation on the rules of maritime delimitation law and the practice of this state in relation to the delimitation of specific

maritime boundaries with neighboring states The case study of the Russian Federation illustrates the significance of international law for the delimitation of maritime boundaries while at the same time indicating the limits of the influence of the law on state behavior

The Encyclopaedia Britannica Thomas Spencer Baynes,1884

The Making of the Mosaic Ninette Kelley,M. J. Trebilcock,Professor of Law and Economics Michael J Trebilcock,1998-01-01 Beginning their study in the pre Confederation period the authors tell of the dramatic transformations that have characterized Canadian attitudes towards immigrants While at first few obstacles were placed in the way of newcomers to Canada the turn of the century brought policies of increasing selectivity

Airman ,1978

Johan Schrøder's Travels in Canada, 1863 Orm Overland,1989-11-01 Norwegian emigrant traffic through Canada began in earnest after the repeal of the British Navigation Acts 1849 and was precipitated by a lucrative timber trade between Canada and Britain Norwegian shipowners many of whom were acting as carriers for the timber industry quickly discovered that their return voyages to Canada could be more profitable if their ships were filled with immigrants instead of ballast The time was ripe for interest in immigration to Canada when Schroder decided to embark on his tour Schroder was well received in his Canadian travels and managed in two months to see more of the country than most Canadians did in a lifetime But despite his warm welcome he decided to settle in the United States and advised others to do the same Four years after his trip he published Skandinaverne i de Forende Stater og Canada The Scandinavians in the United States and Canada in LaCrosse Wisconsin Another edition containing only the chapters on Canada was published in Christiania Norway as was an abbreviated Swedish translation Schroder s account of Canada which is now published for the first time in English translation is the only narrative of travel in Upper and Lower Canada by a Scandinavian and one of the very few descriptions of pre Confederation Canada written by a traveller from outside the English speaking world It not only gives us a view of Canada as it appeared to an educated Scandinavian but also sheds light on the reasons why most European emigrants who entered the port of Quebec located in the United States
