accompanying humans who come from diverse nationalities and from many walks of life professionals and job seekers young and old family members and loners They are united in their love of dogs and on the central green of the park on its walkways and at the caf where they gather after exercising their animals they often let this affection for dogs carry them into friendships that transcend park life and involve many of them in additional social activities The book is also the story of Fritz the Schnauzer and provides a daily record of his antics and the folkways of the rest of the crew human and canine Not only do we have an insight into the relationship of man and beast but a glimpse into London life as it experienced in the first decade of the 21st Century Such a life we know is full of struggles and tensions and these are certainly reflected in this chronicle and so is a lot of good canine fun
