Wynn,2010-01-01 Baby eagles are hatched in a chicken yard and are scorned and ridiculed because they are different

Another great eagle is captured and after his clipped wings grow in full he encourages and inspires the other young eagles to realize their potential and to soar into the clouds *Chicken Or an Eagle* Aaron Jones, Sr.,2017-05 *I Am an Eagle!*

Dwayne L. Taylor,2017-07-25 Mother and Father Eagle eagerly await the arrival of their baby eagles when the winds of a violent thunderstorm sweep through the forest and carry the nest away Mother Eagle saves two of the eggs from her nest before it disappears into the sky The nest lands on a farm outside of a chicken coop After the storm clears and the sun rises chickens emerge from their coop to find the displaced nest containing a single egg The chickens roll the surviving egg into the coop and Everett an eagle is born among the chicks The chicks tease Everett because his appearance is oddly different and he has difficulty looking for food and eating as they do Everett often looks to the birds flying high in the sky and longs to do the same The chicks taunt Everetts dream of flying because of course chickens cannot fly Everett is then discovered and rescued by a large eagle who introduces him to Hannah a young female eagle The two become friends and Hannah helps Everett realize hes not a chicken In fact hes an eagle Hannah sets out to help Everett achieve his dream of flying high in the sky the way eagles should The Eagle that refused to dance with Chickens Elijah Ngugi,2010-07-20 The Eagle That Refused to Dance with Chickens is a metaphor that is traditionally narrated in two African languages Kiswahili and Kikuyu It is an Oral literature genre that communicates strength of self determination in spite of gross failures This story in particular although has been modified to a great extent is popular among the Kikuyu people who live in central part of Kenya where it is believed to have originated The author has worked painstakingly to allow the same descriptive words and phrases in Kikuyu to be translated in English as verbatim as possible to fit in the story Such endeavor is an attempt to bring the authentic texture of the story as much as possible to the Western world mind set Both the content and style of narration are aimed at addressing issues of late childhood and teen years thus eight to fourteen years of age It seems to fit such application because this is the time that children are intensely obsessed in searching self independence and identity Nevertheless the story has been used as an allegory and adjusted to be applicable to all ages depending on the purpose and circumstances Quite often it is also presented as a drama or acted by children as one of the activities that would bring the meaning into the real life of the children The Eagle Who Lived As a Chicken C.
