**Christopher P. Banks**

## **From Ballot To Bench Judicial Elections And The Question Of Accountability:**

From Ballot to Bench Philip L. Dubois, 2014-07-03 Over several decades many U S states abandoned the practice of selecting their judges by direct popular election and adopted the Missouri Plan of judicial selection In *From Ballot to Bench* Philip L Dubois subjects the various criticisms raised against judicial elections to a more searching scrutiny than previously has been attempted Dubois carefully reviews the three central counts on which judicial elections have been faulted for lowering the quality of the bench for impairing judicial independence and for failing to secure judicial accountability After concluding that the potential for judicial elections to hold judges popularly accountable is what might commend them over alternative selection methods Dubois concentrates on the analysis of empirical evidence to evaluate judicial elections as mechanisms of accountability The study examines all the statewide partisan and nonpartisan elections for state supreme court justices in non southern states from 1948 to 1974 Included is a detailed examination of voter participation electoral competition the behavior of judicial electorates and the patterns of gubernatorial vacancy appointments An analysis of decision making on eight state supreme courts also tests the relationship between different selection systems and judicial behavior Dubois finds that partisan elections maximize voter participation meaningfully structure voter choices minimize accession to the bench by appointment and allow popular control over gubernatorial appointments Additional evidence on the extent of partisan voting by judges selected under different methods leads Dubois to conclude that partisan elections are superior to both nonpartisan elections and nonelective selection methods as instruments of accountability The importance of the questions addressed the breadth of the data collected and the unorthodox conclusions offered make this a significant book for political scientists judges lawyers and public officials *The State and Federal Courts* Christopher P.

Banks, 2017-01-26 How does the American judiciary impact the development of legal and social policies in the United States How are the state and federal court systems constructed This book answers these questions and many others regarding politics the U S courts and society This single volume work provides a comprehensive and contemporary treatment of the historical development of state and federal courts that clearly documents how they have evolved into significant political institutions It addresses vital and highly relevant subjects such as the constitutional origins of courts the nature of judicial selection and service and the organization of courts and their administration The book explains civil and criminal legal proceedings the political impact of judicial rulings and the restraints placed upon the exercise of judicial powers Readers will come away with an understanding of the key principles of constitutional interpretation and judicial review as well as judicial independence what factors affect access to courts the underlying politics of state judicial campaigns and the confirmation of presidential appointments to the federal bench The book covers historical and contemporary court perspectives on major issues such as same sex marriage the Affordable Care Act campaign financing gun rights free speech and religious freedom racial discrimination affirmative action criminal procedure and punishments property rights and voting rights

**Courthouse Democracy and Minority Rights** Robert J. Hume, 2013-05-02 In Courthouse Democracy and Minority Rights Same Sex Marriage in the States Robert J Hume shows how increasing the democratic accountability of courts has limited the ability of judges to act as reform agents When judges are elected or when their decisions can be easily overturned with initiative amendment procedures they lose the capacity to stand up for the rights of the minorities **Government by the People** James MacGregor Burns, Jack Walter Peltason, Thomas E. Cronin, 1987 **California Law Review**, 1999

**State and Local Politics** James MacGregor Burns, Jack Walter Peltason, Thomas E. Cronin, 1987 **Understanding American Politics, Third Edition** Stephen Brooks, Donald E. Abelson, Melissa Haussman, 2024-03-01 Understanding American Politics provides a unique introduction to the contemporary political landscape of the United States Placing the study of American politics within a broader context of other western democracies this textbook reinforces the idea that in order to understand the American system students need to begin by understanding their own democracy This balanced comparative perspective is integrated throughout to better explain and highlight the ways in which American politics and government work in relation to other democracies Streamlined to fit easily in today's US politics courses the third edition is fully updated and revised to engage with key issues in American politics while providing an accessible entry to the foundations of American government that detangles the polarized analysis characterizing so much information on the study of American politics New chapters on special interest groups and the distinct American mediascape feature alongside up to date analysis on civil rights and inequalities incorporated in all chapters Ultimately this textbook enables non American readers to understand the how and why of American politics by relating the subject to the experience and institutions of their own countries *Judicial Politics in the United States* Mark C. Miller, 2018-09-03 Judicial Politics in the United States examines the role of courts as policymaking institutions and their interactions with the other branches of government and other political actors in the U S political system Not only does this book cover the nuts and bolts of the functions structures and processes of our courts and legal system it goes beyond other judicial process books by exploring how the courts interact with executives legislatures and state and federal bureaucracies It also includes a chapter devoted to the courts interactions with interest groups the media and general public opinion and a chapter that looks at how American courts and judges interact with other judiciaries around the world Judicial Politics in the United States balances coverage of judicial processes with discussions of the courts interactions with our larger political universe making it an essential text for students of judicial politics **The Oxford Handbook of American Elections and Political Behavior** Jan E. Leighley, 2012-02-16 The Oxford Handbooks of American Politics are the essential guide to the study of American political life in the 21st Century With engaging contributions from the major figures in the field The Oxford Handbook of American Elections and Political Behavior provides the key point of reference for anyone working in American Politics today Governing States and Localities Kevin B. Smith, Alan Greenblatt, 2019-01-03 An easy to navigate comparative book on state and local government Very student

friendly and well organized Jane Bryant John A Logan College The trusted and proven Governing States and Localities guides students through the contentious environment of state and local politics and focuses on the role that economic and budget pressures play in issues facing state and local governments With their engaging journalistic writing and crisp storytelling Kevin B Smith and Alan Greenblatt employ a comparative approach to explain how and why states and localities are both similar and different The Seventh Edition is thoroughly updated to account for such major developments as state versus federal conflicts over immigration reform school shootings and gun control the impact of the Donald Trump presidency on intergovernmental relations and issues of central interest to states and localities and the lingering effects of the Great Recession A Complete Teaching and Learning Package SAGE coursepacks FREE Easily import our quality instructor and student resource content into your school s learning management system LMS and save time Learn more SAGE edge FREE online resources for students that make learning easier See how your students benefit

**Running for Judge** Matthew J Streb, 2009-07-01 Across the country races for judgeships are becoming more and more politically contested As a result several states and cities are now considering judicial election reform Running for Judge examines the increasingly contentious judicial elections over the last twenty five years by providing a timely insightful analysis of judicial elections The book ties together the current state of the judicial elections literature and presents new evidence on a wide range of important topics including the history of judicial elections an understanding of the types of judicial elections electoral competition during races the increasing importance of campaign financing voting in judicial elections the role interest groups play in supporting candidates party organizing in supposedly non partisan elections judicial accountability media coverage and judicial reform of elections Running for Judge is an engaging accessible empirical analysis of the major issues surrounding judicial elections with contributions from prominent scholars in the fields of judicial politics political behavior and law Contributors Lawrence Baum Chris W Bonneau Brent D Boyea Paul Brace Rachel P Caufield Jennifer Segal Diascro Brian Frederick Deborah Goldberg Melinda Gann Hall Richard L Hasen David Klein Brian F Schaffner and Matthew J Streb

American Judicial Process Pamela C. Corley, Artemus Ward, Wendy L. Martinek, 2015-09-25 This text is a general introduction to American judicial process The authors cover the major institutions actors and processes that comprise the U S legal system viewed from a political science perspective Grounding their presentation in empirical social science terms the authors identify popular myths about the structure and processes of American law and courts and then contrast those myths with what really takes place Three unique elements of this myth versus reality framework are incorporated into each of the topical chapters 1 Myth versus Reality boxes that lay out the topics each chapter covers using the myths about each topic contrasted with the corresponding realities 2 Pop Culture boxes that provide students with popular examples from film television and music that tie in to chapter topics and engage student interest 3 How Do We Know boxes that discuss the methods of social scientific inquiry and debunk common myths about the judiciary and legal system Unlike other textbooks

American Judicial Process emphasizes how pop culture portrays and often distorts the judicial process and how social science research is brought to bear to provide an accurate picture of law and courts In addition a rich companion website will include PowerPoint lectures suggested topics for papers and projects a test bank of objective questions for use by instructors and downloadable artwork from the book Students will have access to annotated web links and videos flash cards of key terms and a glossary

Montana Law Review ,2011      *Choice* ,1981      **Rethinking American Electoral Democracy** Matthew J. Streb,2008-02-19 Is the cure for the ills of democracy more democracy Is it possible to have too much democracy in a well functioning government What should a model electoral democracy look like In this critical examination of the state of American electoral process Matthew Streb analyzes the major debates that embroil scholars and reformers on subjects ranging from the number of elections we hold and the use of nonpartisan elections to the presidential nominating process and campaign finance laws Ultimately Streb makes an argument for a less burdensome democracy a democracy in which citizens can participate more easily This book is designed to get students of elections and American political institutions to think critically about what it means to be democratic and how democratic the United States really is Part of the Controversies in Electoral Democracy and Representation series edited by Matthew J Streb Matthew J Streb is Assistant Professor of Political Science at Northern Illinois University He is the author *The New Electoral Politics of Race* and the editor or co editor of five other books including *Running for Judge*      *State and Local Government* Ann O'M. Bowman,Richard C. Kearney,2002-12-17 This brief version of the top selling *State and Local Government* retains the unique thematic and historical approach of the comprehensive text in 12 chapters compared to 16 The condensed format provides explanations of the structure of state and local government as well as their functions in the current political scene In addition descriptions of public policy issues appear at relevant points throughout the text and are better integrated into discussed topics Coverage of e government and the Internet explores how technology affects state and local government and citizen participation Up to date policy focus addresses important issues facing government at this level and includes topics such as education economic development criminal justice the environment social welfare and healthcare Discussion of the slowed pace of devolution since September 11 is included in Chapter 2
