Super Natural Christianity Kelly Barnes,2012-07-07 Christianity has three major movements Protestant Roman Catholic

and Orthodox Of these three Protestants have several sects primarily consisting of Charismatic and Conservative believers As for miraculous gifts of the Holy Spirit along with signs wonders and supernatural experiences many Christians believe they are no longer valid today This book sheds light on the real issue how should a believer respond to the current state of the church and where do the supernatural gifts and experiences belong Should a believer make room or embrace these gifts in their faith And has God withdrawn the supernatural gifts and experiences from today s church This book by use of the Scriptures in a dialogue format seeks to clear misconceptions false teachings and ignorance concerning these questions It goes past the religious ideals and churchianity that has kept believers from discovering and walking out their inheritance birthright and destiny in Christ

**Christology** R.W. Davis,2012-04-17 What was Jesus Christ true purpose for coming to earth What is the True Gospel message What in the world is the Kingdom of God Is there historical evidence for Christ existence here on earth Was Christ really God in human flesh The problem in the world today as well as in the Church is the fact that much is said about Christ with little to nothing is being said or understood about the Kingdom Somehow people have separated the man from his message R W Davis presents in Christology several theological subjects in regards to Christ from the perspective of his Kingdom message Christology goes against the grain of traditional Christianity and challenges the believer and the unbeliever to accept the true message of Christ and to come to an understanding of what has been made available as a result of the finish work of Jesus The kingdom message as explained in Christology is not about escaping this world and going to heaven The kingdom message is about mankind being restored back to God and reigning and ruling with God now and throughout eternity God in Christ has granted us access to share his sovereignty That is what the true gospel is all about and is the underlining idea that is being conveyed in Christology Get ready to be enlightened with the truth of Gods word and to come to know the true purpose of Christ coming as well as the true purpose behind him dying for our sins

Atonement Chris Woodall,2015-01-27 Theologians are constantly accused of only speaking in theories positing arguments to be considered by the mind with little bearing on the practicalities of life This view is both blinkered and generally unjust but it is also the case that some fit that description without perhaps realizing it Chris Woodall argues that doctrine is not only a compelling tool but also a critical one without which we would struggle to understand God s purpose or our place in it The atonement is not a subject that lends itself easily

to being considered from a merely philosophical perspective After all how could you possibly present the atonement as being necessary real and beneficial without that presentation impinging on its practical application In this book Woodall seeks to treat the subject matter as a valid hermeneutic by which our understanding of the whole of Scripture may be greatly enhanced Thus the concept of the atonement must be seen as both a continuous thread in the Bible and a key to unlocking some of its secrets
