From a Stage Iii-Iv Cancer to Recovery Ambayeba Muimba-Kankolongo, 2015-03-06 Four years ago my health began deteriorating with a blood pressure reaching 200/250 I became anemic lost about 2023 kilograms within a short period and developed severe abdominal pain followed by rectal bleeding I was told I had a large rectal tumor that needed to be urgently removed I was shocked and frightened I traveled to Canada for a second opinion After laboratory tests it was a stage 34 colorectal cancer nearly obstructing my large bowel I was subjected to an aggressive long cycle radiation and chemotherapy treatment followed by complex surgeries for years after which I was declared cancer free While in the hospital particularly following the nine hour surgery for tumor removal I could not regain rapidly my vital signs meaning I was dead in medical terms However by the Lord's grace I opened my eyes My spouse and I had several dreams pointing to a spirit of death rooming around me As the scripture in Job 33 14-18 says For God does speak now one way now another in a dream in a vision of the night when deep sleep falls on men as they slumber in their beds He may speak in their ears and terrify them with warnings I surely knew that believing in the Lord Jesus Christ and having faith in the Heavenly Father will instantly turn my desperate situation into a joyful one I committed my time to reading regularly the Bible and my family relatives and friends all over the world prayed for my healing and recovery As written in Psalms 130 1 Out of the depths I cry to You O Lord Together we pleaded unto him and he lifted me from down the valleys to the tops of mountains Continual prayers acted as a strong medication to cure the illness
