*Theology as History and Hermeneutics* Laurence W. Wood, 2005 This book offers in style and content an exciting new perspective on contemporary theology and its future in post modern times I welcome this new perspective The style is agreeable unpolemical and engages in dialogue with the best of Barth and Bultmann Ricoeur and Pannenberg Cobb and Moltmann showing what they have to offer to the larger theological community and transferring it like a ferry boat into the post modern age The purpose is to offer an evangelical theology which is at the same time genuinely evangelical and relevant for post modern ways of thinking Wood writes with admirable clarity J rgen Moltmann University of T bingen

*Hermeneutics and Early Christian Gospels* Todd Brewer , 2025-03-17

*The Hermeneutics of Suspicion* Dorothy Figueira, 2015-07-30 Through a unique combination of theoretical scope and material and historical breadth *The Hermeneutics of Suspicion* poses an original investigation into our understanding of alterity in Indian literature and history and significantly contributes to an emerging discourse on East West literary relations Hans Georg Gadamer s notion of hermeneutical consciousness seeks to open up a cultural context through which to engage the other It stands in opposition to the hermeneutics of suspicion advocated by recent popular theories such as colonial discourse analysis multiculturalism postcolonial theory the critique of globalism etc In his late work Paul Ricoeur charts a middle path between the hermeneutics of suspicion and a hermeneutical consciousness that addresses the

ontological and ethical categories of otherness His approach reflects concerns voiced elsewhere particularly in the historiography of Michel de Certeau and the ethics of Emmanuel Levinas This volume follows the path proposed by Ricoeur and alongside Certeau and Levinas provides an examination of varying representations of the Indian Other in classical Greek and Sanskrit sources the writings of Church Fathers apocryphal literature the Romance tradition Portuguese and Italian travel narratives and Jesuit mission letters In the various texts examined the problems of translation are highlighted together with the sense that understanding can be found somewhere between the different approaches of hermeneutical consciousness and critical consciousness This book not only looks at the European reception of the Indian other but also looks at the ancient Indian view of its others and the cross pollination of Indian concepts of otherness with the West

*The Cambridge History of Literary Criticism: Volume 8, From Formalism to Poststructuralism* George Alexander Kennedy, Raman Selden, 1989 Volume 8 of The Cambridge History of Literary Criticism deals with the most influential and hotly debated areas of literary theory those developing in Europe but having their main impact in the Anglo American world of academic literary studies whose course they have fundamentally redirected The structuralism poststructuralism Russian formalism semiotics narratology hermeneutics phenomenology reception theory and speech act theory associated with European writers including Barthes Todorov Derrida and Iser are here described in the context of their original development but with an eye also to their eventual influence and the volume includes a reflective chapter by Richard Rorty on deconstruction Incorporating full bibliographies this volume engages systematically with the history of the twentieth century's most profound and extensive set of cross cultural intellectual movements

**History and Hermeneutics** Murray Rae, 2005-01-01 Examines the relation between historiography and hermeneutics on three hundred years of western thought The author offers a theological account of what history is centred on the categories of creation and divine promise and proposes that it is within this theological conception of history that the Bible may be understood on its own terms

*Revelation Scripture and Church Theological Hermeneutic Thought of James Barr Paul Ricoeur and Hans Frei* Richard R. Topping, 2007 How does God's involvement with the generation of Holy Scripture and its use in the life of the Christian church figure into the human work of Scripture interpretation This is the central question that this book seeks to address In critical conversation with the influential hermeneutic programs of James Barr Paul Ricoeur and Hans Frei Topping demonstrates how God's agency has been marginalized in the task of Scripture interpretation Divine involvement with the Bible is bracketed out Barr rendered in generic terms Ricoeur or left implicit Frei in these depictions of the hermeneutic field The result is that each of these hermeneutic programs is less than a realist interpretative proposal

*The Cogito and Hermeneutics: The Question of the Subject in Ricoeur* D. Jervolino, 2012-12-06 by Paul Ricoeur It is already a piece of good fortune to find oneself understood by a reader who is at once demanding and benevolent It is an even greater fortune to be better understood by another than by one's own self In effect when I look back I am rather struck by the discontinuity among my works each of which takes on a

specific problem and apparently has little more in common with its predecessor than the fact of having left an overflow of unanswered questions behind it as a residue On the contrary Domenico Jervolino's interpretation of my works which extend over more than forty years stresses their coherence in spite of the gap in time between my present soon to be issued work *Temps et Recit* and my first *Philosophie de la Volonte le Volontaire et l Involontaire* Our friend finds the principle of coherence first of all in the recurrence of a problem the destiny of the idea of subjectivity caught in the cross fire between Nietzsche and Heidegger on one side and semiology psychoanalysis and the critique of ideology on the other He finds it likewise in the insistence on a method the mediating role played by interpretation mainly of texts with regard to reflexion on self

Jesus Christ, Hermeneutics, and Scripture Hans Burger, 2024-04-18 Soteriology not epistemology is the best entrance to theological hermeneutics and to the doctrine of Scripture The triune God uses Scripture to make the community of believers live in Christ We hear the words of Scripture in the light of Easter and Pentecost We understand Scripture from faith in Christ and with the mind of Christ At the same time we come to know Christ in Scripture and we receive the mind of Christ by reading Scripture We remain in Christ by remaining in the Word Understanding Scripture and Christlikeness mutually reinforce each other Living a Christian life with God and our neighbor in God's world will deepen our understanding of Scripture This book explores the complex relationships between Jesus Christ participation in Christ theological hermeneutics and the doctrine of Scripture It shows the necessity of a holistic approach of life knowledge understanding and renewal

*Hermeneutics After Ricoeur* John Arthos, 2018-12-27 There has been a renaissance of interest in the work and thought of Paul Ricoeur one of the great hermeneutic scholars of the twentieth century It is time to assess the future landscape for hermeneutics as a scholarly field and an educational curriculum after the momentous impact of Paul Ricoeur who extended and deepened its trans disciplinary reach and pushed its profile substantially beyond its German legacy There exists a misunderstanding that his thought is simply an extension or revision of Heidegger and Gadamer *Hermeneutics After Ricoeur* ably sets out the differences and tensions establishing the originality of Ricoeur's thought and its application beyond hermeneutic studies with a thematic focus on education the humanities and the liberal arts
