**Fit, Healthy, Happy Kids** Julius Kieser, Sharny Kieser, 2014-05 The world our kids are growing up in is very different to the world we grew up in. The gap is so much wider than between us and our parents. We grew up with nothing so our parents worked hard to give us everything. Our own generation's motto of 'we deserve everything' has turned its greedy eyes to our kids and they stand no chance. Right now they are feeding for themselves in a world that sees only one outcome for them: Victims of greed. Unless us parents do something about it. We now need to work hard to protect our kids from our ourselves. Authors Sharny and Julius combine their years of expertise coaching junior sport as well as the compassion that comes with having their own 5 children to bring a book that the world needs right now. This book will help any parent wanting a no bull blueprint for creating perfectly balanced fit, healthy, happy kids.

**Maintain Good Health for Kids** Debra C Durfee, 2022-12-12 Is your kid having some health issues? Are you worried about your kid's physical fitness comparing it to other kids? Do you want your kids to excel in their future life by having a peaceful mind and healthy body? If the answer to any of these questions is a yes, then you are just a click away from getting all these answers. Maintain good health for kids will help you and your kids become healthy and physically fit for a better and brighter life. Every child in the world needs to have good health. Whatever differences we may have, our health is our most valuable resource. A sick child cannot truly enjoy life to the fullest. Good health will make your child happy and strong. This book demonstrates how to keep your child physically and mentally fit. Once their wellness and health are ensured, they will inevitably excel in their respective fields and areas. This fantastic book also provides your kid with knowledge on how to remain physically fit and how to develop inner peace and mindfulness. Not only is this a fantastic thing to have in life, but the advantages will last throughout their lives and contribute to their success and happiness. After reading, you will learn the following: Importance of health, How to help your child be healthy, Importance and needs of a healthy kid, Emotional wellness and its importance, Importance of Exercise, How to bring peacefulness to your kid, Importance of mental health, And much much more. It takes work to establish and maintain health. But good health and mental wellness may also be comforting and enjoyable, so it's worth the commitment.
