From My Heart To Your Heart:

The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet Mary Cowden- Clarke, 1845 From My Heart to Yours - God the Father Penny McCoy, 2011

This book is God's prophetic voice as our Father to our hearts as his children. It is his voice to the lost, hurting, orphaned, crushed in heart and spirit, and the hopeless. This book is his heart that releases the captive. This book is a tool for God's children to hear his voice of unconditional love and goodness once again. There are those that have been praying to hear his heart. As this book goes out, you will know that these words are not religion, man, or even a good idea. They are nourishment for your soul and a fountain of refreshing that can aid in the healing of a broken heart. It is the desire of the author that this book be used as an assistant in the breaking of those things that keep you as his child in bondage. This book is the essence of God's heart of love that will help unlock the doors the enemy uses to torment your very soul. This book is God's heart reaching out to your heart in hopes to be used to set you free, heal, and make you whole so you can be who God created you to be and do all he has created for you to do, not what bondage, control, religion, other people, your own design, or circumstances create you to be or create for you to do.

I am That I am Robert Davis, 2012-11-01. This is a book. Hey, you need not forsake I AM THAT I AM. Jesus Christ. Jesus Christ. Jesus Christ is not to be overlooked. Once it's read, you will hear what God Jesus said. Then you are hooked, and at you, you will take a closer look. On every page, God Jesus has something to say, some comes your way, and some just relay's. But in any event, open your heart and listen for to you. God's word is sent. Whether you believe or not, or you sin a little, or you sinned a lot, quit doing things. Jesus God says to stop. Continue to read and receive the help you need. Pray that God take heed. Change your life, rearrange, and you God won't blame. And once you read this book in God Jesus name, it's guaranteed, believe you won't be the same. From the first page where this book begins to the last word, it says to this book's very end, a message from God has been sent. Then just when you think you are finished, for you have come to the end, that's where you start all over again. For it's a fact, this is the word of God, this is not an act, you can start reading from the back. That's A Fact WORD. You can read this book BACKWARDS. From chapter to chapter, this book is full of Fun Facts And Laughter. I AM THAT I AM, everyone should be after.

From the Heart Jeffrey L. Kosky, 2025-02-25. What does it mean to have a heart? How does it feel when a heart fails, and what does it take to recover? In a world beset by never-ending crises, personal and collective, local and global, is heartlessness the only option? From the Heart weaves together a personal narrative of a life-threatening ailment with considerations of philosophy, art, and science to contemplate ultimate questions, matters of life and death. Jeffrey L. Kosky recounts his brush with death, the surgical repair of a congenital defect in his aortic valve, his gradual recovery of everyday life, and his struggle to find the heart to go on throughout it all. To make sense of the experience, he immerses himself in humanistic inquiry and medical science, the histories of medicine, cardiac surgery, and knowledge of the human heart, as well as the works of artists, writers, philosophers, and theologians. Writing about the experience of being human from the

precarious position of his own woundedness Kosky shares hard earned perspectives on what matters most Combining moving memoir encounters with major authors and artists and heartfelt reflections on the big questions of existence this elegantly written book is at once erudite and powerful It shows us why the heart in physical emotional and metaphorical senses helps us come to terms with sickness and health dying and living , **Magic Potion** Mahrouyeh Maghzi,2014-12-18 A woman has invited 25 women and 25 men to come and listen to her talk about her book and ask them whether or not to publish it In a small square room she finds 23 men have arrived She stays outside the room and speaks to them telepathically about relationships honouring the female principle and the meaning of life What does the story of the Garden of Eden mean Later she comes into the room and educates them about the role of women and raising the men s consciousness She embodies light and takes them into another mental realm She tests their ideas surprises and shocks them to help them evolve One of them finds that the book on the lectern is blank In the end we realize she hasn t written a book but lived it Maghzi states This book is one woman s vision which has been reduced to a readable form This book is about a woman who raises her voice on behalf of those women who have suffered through the centuries This book is about cutting selfish self s rough and uneven edges in order to become wiser and smarter to circle the wiser and smarter beloved **The Complete Works** George
