Merchant of Venice ; Romeo and Juliet William Shakespeare,1901 **The Naturals Collection** Jennifer Lynn Barnes,2021-04-20 Don t miss a page of the thrilling Naturals series by New York Times bestselling author Jennifer Lynn Barnes this collection of four books includes a bonus e novella In The Naturals seventeen year old Cassie is a natural at reading people Piecing together the tiniest details she can tell you who you are and what you want But it s not a skill that she s ever taken seriously That is until the FBI come knocking they ve begun a classified program that uses exceptional teenagers to crack infamous cold cases and they need Cassie But what Cassie doesn t realize is that there s more at risk than a few unsolved homicides especially when she s sent to live with a group of teens whose gifts are as unusual as her own Soon it becomes clear that no one in the Naturals program is what they seem And when a new killer strikes danger looms close Caught in a lethal game of cat and mouse with a killer the Naturals are going to have to use all of their gifts just to survive In Killer Instinct Cassie hopes she and the rest of her team can stick to solving cold cases from a distance after barely escaping a confrontation with an unbalanced killer obsessed with her mother s murder But when victims of a brutal new serial killer start turning up the Naturals are pulled into an active case that strikes too close to home the killer is a perfect copycat of Dean s incarcerated father a man he d do anything to forget Forced deeper into a murderer s psyche than ever before will the Naturals be able to outsmart the enigmatic killer s brutal mind games before this copycat twists them into his web for good In All In Cassie and the Naturals are called in to investigate a string of brutal murders in Las Vegas But even with the team s unique profiling talents these murders seem baffling unlike many serial killers this one uses different methods every

time All of the victims were killed in public yet the killer does not show up on any security feed And each victim has a string of numbers tattooed on their wrist Hidden in the numbers is a code and the closer the Naturals come to unraveling the mystery the more perilous the case becomes In *Bad Blood* Cassie is reeling with the truth about her mother's murder Everything Cassie thought she knew about what happened that night her mother was killed been called into question Her mother is alive and the people holding her captive are more powerful and dangerous than anything the Naturals have faced so far As Cassie and the team work to uncover the secrets of a group that has been killing in secret for generations they find themselves racing a ticking clock And when the bodies begin piling up it soon becomes apparent that this time the Naturals aren't just hunting serial killers They're being hunted In the novella *Twelve* Cassie is now twenty three years old and she and her fellow Naturals have taken over running the program that taught them everything they know As a unit they're responsible for identifying new Naturals and solving particularly impossible cases When their latest case brings back a ghost from their past Cassie and the other Naturals find themselves racing against the clock and reliving their own childhood traumas In a small coastal town in Maine there has been a rash of teen suicides or at least that's what the police believe Enter the Naturals

Barely: A Stepbrother Story Aflyingwhale, 2025-02-09 I can feel it he said with his back still turned to me What You eye rap ng me he chuckled and turned around Don't you own a shirt I rolled my eyes at him trying to keep my cool And why are you calling me out here for Ryder smirked He cleaned his hands with a towel and tossed it off somewhere To pick up where we left off he said as he stalked towards me What happens when a girl falls in love with the one person she's not supposed to You and me and never us a complicated series of almost interactions It's the summer before college and Kara is forced to spend the holidays with her new family Little does she know a lot can happen in one hot summer The moment Kara lays her eyes on Ryder she knows she's a goner She has never met anyone as sexy fun and liberating But she's made a promise that she won't give herself away before marriage The moment Ryder lays his eyes on Kara he knows his life wouldn't be the same again He has never met a girl so pure and genuine He's made it his life mission to be with her for better or for worse If God is love you're my religion Sometimes we can't choose who we fall in love with Kara and Ryder's love for one another is the kind of love that only comes once in a blue moon but unfortunately they can never be anything more than a brother and sister All that love yet it is barely anything at all
