Expository Reflections On The Gospel Of John:

Expository Reflections on the Gospel of John Leon Morris,1988 **Expository Reflections on the Gospel of John** Leon Morris,1990 *Expository Thoughts on the Gospel of John [Annotated, Updated]* J. C. Ryle,2019-06-01 In the beginning was the Word and the Word was with God and the Word was God John 1 1 Wisdom encouragement and exhortation is contained in these pages Not because of the author s brilliance but because of the words of truth contained in the gospel of John And just as the Apostle John didn t draw any attention to himself so also J C Ryle clearly and wonderfully directs his words and our thoughts towards the inspired words of scripture If we truly love God we will love His word and the more study His word the more we will love God **Biblical Counsel** ,1993 **Expository Thoughts On the Gospels** John Charles Ryle,2025-05-22 Expository Thoughts on the Gospels Volume 2 by John Charles Ryle offers insightful and accessible reflections on the Gospels designed for both family and private devotional use This volume provides the complete biblical text alongside Ryle s characteristically clear and engaging explanatory notes Ryle s exposition delves into the profound spiritual truths and practical applications found within the Gospel narratives making it a valuable resource for those seeking a deeper understanding of scripture and a more intimate relationship with Christ His thoughtful commentary illuminates the historical context theological significance and enduring relevance of the Gospels offering readers a timeless guide to Christian faith and practice Perfect for daily devotions family study or individual reflection this work continues to inspire and edify believers seeking to grow in grace and knowledge This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Effective Pastoring* Bill Lawrence,1999-10-05 A great deal of confusion exists today as to what pastors are to be Lawrence writes Are they chaplains CEO s preachers managers or counselors Paul gave us the answer long ago They are to be equippers disciple makers Just as the great artist Michelangelo took a chipped and flawed piece of marble and transformed it into a masterful sculpture of David so does a pastor with his flock This is pastoring writes Lawrence serving as sculptors of souls *The New Perspective on Mary and Martha* Mary Stromer Hanson,2013-07-24 The New Perspective on Mary and Martha gives Mary and Martha a total makeover No longer is this familiar passage about prioritizing spiritual

pursuits over the tyranny of the practical The results of a close reading of the text and careful exegesis of the Greek has Martha escaping the kitchen and Mary is not even in the house Martha is still overly worried not about housework but over the much more understandable concern about her younger sister Mary who is out of the village follows her call ministering on the road with Jesus Luke 10 38 42 is about discipleship ministry trust and the new family of Jesus **The Chronological Life of Christ** Mark E. Moore, 2007 not much has changed since Jesus gathered dust in the soles of his sandals on Palestinian soil He is still the buzz at barber shops and corner cafes He is still talked about and against He pricks our curiosity sparks our imagination and even earns our ire Who is he really You know he s no politician but he still transforms nations He s no social activist but he is the genesis of who knows how many hospitals orphanages and innumerable acts of kindness A psychotherapist Hardly But how many of us Humpty Dumpties has he put back together again This peasant carpenter has built himself a kingdom immeasurably greater than his earthly enemies could have imagined What are we to make of him Please accept my deepest apologies right up front for this book will not help answer that question However it may help answer this one What is this man to make of me The Chronological Life of Christ is the definitive resource where all four Gospels have been harmonized into one chronological story line The reader gets an in depth look at Jesus life ministry death and resurrection a look not attainable when reading each Gospel separately Written using the Thomas Gundry NIV Harmony of the Gospels as a frame The Chronological Life of Christ includes a very helpful subject index and user friendly table for quickly finding Bible passages This is a must have resource for every student and teacher of God s Word Book jacket

Expository Thoughts on the Gospels John Charles Ryle, 1865 Introducing Apologetics James E. Taylor, 2006-03 A fresh comprehensive survey of the many methods of Christian apologetics using a unique whole person approach "The Poor, the Crippled, the Blind, and the Lame" Louise A. Gosbell, 2018-08-03 The New Testament gospels feature numerous social exchanges between Jesus and people with various physical and sensory disabilities Despite this traditional biblical scholarship has not seen these people as agents in their own right but existing only to highlight the actions of Jesus as a miracle worker In this study Louise A Gosbell uses disability as a lens through which to explore a number of these passages anew Using the cultural model of disability as the theoretical basis she explores the way that the gospel writers as with other writers of the ancient world used the language of disability as a means of understanding organising and interpreting the experiences of humanity Her investigation highlights the ways in which the gospel writers reinforce and reflect as well as subvert culturally driven constructions of disability in the ancient world *He Came Down from Heaven* Douglas McCready, 2005-10-10 Douglas McCready reviews the evidence and arguments for and against the Christian claim of Jesus preexistence and divine identity The Pentecostal Paradigm Kenneth D. Johns, 2007-07-06 This is a book about super sized Christian leaders and super sized churches who attempt to achieve fame and fortune by manipulating their followers It is about the grandiosity and emotionalism that is at the core of THE PENTECOSTAL PARADIGM A Seductive Paradise This

book is for people who are concerned that their pastors and leaders Demand total allegiance and trust Exaggerate miraculous cures Emphasize self promotion more than self discipline Make themselves into celebrities Substitute ecstatic experiences for deep spiritual worship Teach that you have to prime Gods pump to get any thing from God buy a book give seed money speak in tongues attend their conference **Televangelism: a Powerful Addiction** Kenneth D.

Johns,2006-03-27 This book is about televangelism and the televangelists who have no doubt they speak for God and in his best voice Yet it is so shallow it could slide under a squeegee This book will show you how to Avoid being exploited by Christian celebrities and televangelism Throw off dependency on Super sized Christians Realize that the Christian life is not a toll roadno begging Understand religious abuse and addiction and heal from them Recognize the patterns of seduction that the televangelists use to obtain your loyalty and your money Discover how God wants you to be something something and how this encourages you to cling to the futurethe best God can create **Making Disciples** Sylvia Wilkey

Collinson,2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community The Message of Sonship

Trevor J. Burke,2011-09-28 In this warm hearted exposition Trevor Burke shows the many dimensions of sonship in Scripture It is at once the focus of creation a metaphor for salvation a moral imperative and the goal of human restoration For those whom the Father adopts into his household the family bonds that begin in this life will last for all eternity **Leon Morris:**

One Man's Fight for Love and Truth Neil S Bach,2016-02-01 Leon Morris s story needs to be told In this unique and long awaited work Neil Bach shows Leon Morris as a prodigious and original thinker from the wrong side of the world who restored the credibility of evangelical scholarship and the centrality of the cross Many of us have been nurtured by his enormously helpful books on the cross but few know about the obstacles that had to be overcome The author gives us a life of

Leon Morris which is true to the man unflinching in its evaluation of his work and inspiring in its conclusions The book claims what evangelicals have widely acknowledged Leon Morris was and remains Australia s most influential international scholar and pastor

THE GOSPEL TREASURY, AND EXPOSITORY HARMONY OF THE FOUR EVANGELISTS, IN THE WORDS OF THE AUTHORIZED VERSION, R. MIMPRISS,1870 **Cincinnati Public Library** ,1884 **Urban Legends of the New Testament** David A. Croteau,2015-08 Urban Legends of the New Testament surveys forty of the most commonly misinterpreted passages in the New Testament These urban legends often arise because interpreters neglect a passage s context misuse historical background information or misunderstand the Greek language For each New Testament text professor David Croteau describes the popular incorrect interpretation and then carefully interprets the passage within its literary and historical context Careful attention is given to sound principles of biblical interpretation to guide readers through the process and reach a more accurate understanding of each text s meaning QR codes have been inserted at various points throughout the book By scanning the code with your mobile device you can view a video of David Croteau addressing a specific urban legend With examples from the Gospels Acts the Epistles and Revelation Urban Legends of the New Testament will not only help readers avoid missteps in these forty texts but also provide a model for engaging in correct interpretation of other New Testament passages
