Express Advanced Aujourd'hui La France:

Content-Based Instruction in Foreign Language Education Stephen B. Stryker, Betty Lou Leaver, 1997-09-01 This book offers concrete and practical ideas for implementing content based instruction using subject matter rather than grammar through eleven case studies of cutting edge models in a broad variety of languages academic settings and levels of proficiency The highly innovative models illustrate content based instruction programs for both commonly and less commonly taught languages Arabic Croatian French German Indonesian Italian Russian Serbian and Spanish and for proficiency levels ranging from beginners to fluent speakers They include single teacher and multi teacher contexts and such settings as typical language department classrooms specialty schools intensive language programs and university programs in foreign languages across the curriculum All of the contributors are pioneers and practitioners of content based instruction and the methods they present are based on actual classroom experiences Each describes the rationale curriculum design materials and evaluation procedures used in an actual curriculum and discusses the implications of the approach for adult language acquisition

The Colonial Legacy in France Nicolas Bancel, Pascal Blanchard, Dominic Thomas, 2017-05-01 Debates about the legacy of colonialism in France are not new but they have taken on new urgency in the wake of recent terrorist attacks Responding to acts of religious and racial violence in 2005 2010 and 2015 and beyond the essays in this volume pit French ideals against government sponsored revisionist decrees that have exacerbated tensions complicated the process of establishing and recording national memory and triggered divisive debates on what it means to identify as French As they document the checkered legacy of French colonialism the contributors raise questions about France and the contemporary role of Islam the banlieues immigration race history pedagogy and the future of the Republic This innovative volume reconsiders the cultural economic political and social realities facing global French citizens today and includes contributions by Achille Mbembe Benjamin Stora Fran oise Verg s Alec Hargreaves Elsa Dorlin and Alain Mabanckou among others
